

Supply List 2017

Student supplies:

- 3 ring binder(s)
- Tab dividers (5 or 6)
- Composition notebooks
- Notebook paper
- Graph paper (for math 8 and HS)
- Note/index cards 4x6 ruled
- Blue or black pen
- Pencils and pencil pouch
- Colored pencils and/or markers
- Erasers/pencil top erasers

Teacher wish list:

- Tissue
- Clorox wipes (any brand)
- Paper towels
- Band-aids

This is just a **suggested list** of things to help students be successful with the hands-on, engaging lessons that ACMS provides. While teachers have the necessary supplies for activities, students usually prefer their own (markers, glue sticks, etc.).

Because backpacks are not allowed in class, students may want to get a 3 ring binder to help keep up with their stuff. Trapper keepers or binders that zip up are NOT recommended. The size of the binder is up to you. Some students choose to keep all subjects in one, while others get smaller binders and put less subjects in each. The number of composition books needed will differ depending on certain teachers/schedule.

Please feel free to send in any of the wish list items at any time throughout the year. These are not requirements and don't have to be brought in the first day of school. Thank you!
