

Arnold Magnet Academy

Parent pick-up and drop-off Instructions

SY 21

Parents,

In order for our staff to provide the safety and security to our students that they deserve it is important that we work together to ensure an orderly drop-off and pick-up procedure and it be followed. Please see map and instructions below for dropping off and picking up your child before and after school. Students may not be on campus prior to 8:15 a.m. as there are no staff members available for active supervision. Students will be allowed in the building promptly at 8:20 a.m. each morning barring any unexpected foul weather at which time they may be let in earlier. School ends at 3:52 p.m. Students should be picked up prior to 4:15 p.m. each day unless they are participating in after school events or activities.

For before school car riders, proceed down Woodruff Road towards the rear of the school where schools staff will be monitoring students as they get out of their cars and safely onto the crosswalk.

For after school car riders, parents should proceed down Woodruff Road, turn right on 51st Street, left on 23rd Avenue, and proceed through the Allen Elementary Bus Loop towards the back of Arnold. Please do not drop off or have your student meet you at any other location on or off campus as we cannot provide active supervision. This is a safety hazard and makes it extremely difficult for our staff to properly monitor the students during arrival and dismissal.
