Farewell from Two of our Founding Teachers: Mr. Chuck Yarbrough and Mrs. Susan Wilson

We want to thank the Blackmon Road family. When we opened this school in 1995, Mrs. Marie G. DeRamus, our principal, instilled in us as the faculty of a brand new school, that we were responsible for setting the tone. We had to have high expectations for ourselves and for our students. She modeled excellence for us and we were to model it for our students. As a result, we have been the number one middle school in the district since that first year and we trust, will continue to be for many years to come. It hasn't always been easy, but the founding faculty has always tried to remember the standards set for us by Mrs. DeRamus at the beginning and we have tried to pass them along as new faculty members joined us. As the last two members of the founding faculty of Blackmon Road Middle School, we would like to remind all of our stakeholders of those standards of excellence and encourage you to remain the best middle school in Columbus. Many great teachers and students have travelled through these halls, making this a great place to work and to learn. This has been our second home for 24 years and as we retire we will not forget what it stands for. We wish you many more years of success.
