Important Information

The CDC recommends several easy preventative actions to help reduce the spread of germs.

In efforts to minimize the spread of illness, please encourage others to:

- Practice good hand washing habits which include using soap and water. Hand sanitizer should only be used when soap and water are not available
- Remember to NOT touch your eyes, nose or mouth with unwashed hands
- Always cover your cough and sneeze with tissue. Dispose of the tissue in a trash can and wash your hands
- Avoid contact with others who may be sick
- Stay home/keep children home when sick
- Remember to clean and disinfect contaminated surfaces (for example: door knobs, telephones, desks)

The Georgia Department of Public Health has issued the following advisement regarding the Novel Coronavirus. Please read below:

Advice to the general public is the same as every cold and flu season. Wash your hands regularly, avoid touching your eyes, nose and mouth with unwashed hands, and stay away from people who are sick. If you've traveled from Wuhan City, China into the U.S. and you have symptoms of coronavirus (runny nose, headache, cough, sore throat, fever, a general feeling of being unwell), seek advice from your health care provider. If you don't have a health care provider, contact your local health department.

Beta Club Sponsors Service Project

Beginning February 1, the Beta Club will begin taking donations for Open Door's Home for Women in Crisis and Showering Program for the Homeless. The ILT class with the most donations during the month of February will win a free pajama day and pizza party. Please consider donating the following items if you are able:

(travel sized) lotion, shampoo, soap, feminine hygiene products, brushes, combs, men's boxers/briefs, women's undergarments, men' & women's socks, travel toothpaste, full-size deodorant, foot powder, brushes/combs, toothbrushes, white towels and washcloths, shaving cream, aftershave lotion.
