Next Week:

Traditional 6th Graders & ESOL Students

Students will enter through the 6th grade hallway doors. We will have signs out front to direct you. (See map on page 3.)

Students will have their temperature checked, and then they may visit the breakfast station to pick up a **free** breakfast* (free for all students through December). The pick-up stands will be right inside the 6th grade hallway door.

Students will then report to their first class of the day.

Lunch selections will be made each morning by students in their first class by visiting a document on their Chromebooks. The lunches will then be prepared for them by our cafeteria staff if they select one.

Eagle Growth lanyards will be awarded next week. For some students, that means they will qualify for:

- Outdoor dining opportunities at lunch
- Cell phone use at lunch only
- Sporty Scholar attire

Dress Code Changes:

Holes are allowed but only below knee of jeans. No hoodies are allowed as they are security issues as students put them on their heads to hide themselves. Only sweatshirts without a hood are allowed inside our building.

Even classroom numbers - Change classes **first** five minutes
Odd classroom numbers - Change classes **last** five minutes

Dismissal will be gradual.

Walkers will be released first.

Then we will release car riders and buses as they arrive; however, all students will be assigned a car tag number to give to their parents to display in the car during pickup. Student car tag numbers will be utilized beginning next Tuesday, Sept. 15th in calling car riders.

Sports Conditioning

For those interested in trying out for football, volleyball, cross country, and cheerleading

Students have to have a completed player packet that contains the following signed forms in order to participate, even in conditioning. Links to these documents can be found at:

<http://sites.muscogee.k12.ga.us/blackmon/athletics/>

- COVID After-School & Extracurricular Permission Letter
- Parent Permission Form
- Student Physical Form

We look forward to kicking off our conditioning for the athletic programs on **Monday, September 14th from 5:00 to 7:00**. The students who are traditional will wait in their last period class until they are announced to report to the gym. If you are a virtual student, we ask you to arrive at the school at **4:30** to avoid the departing traffic. Please use the lane closest to the gym in the parking lot and remain in the car until we check your temperature. After we check the participants' temperatures, we will direct them to their spots in the gym. Thank you for your ongoing cooperation for making Blackmon Road Middle School the best!
