Girls Inc. Eureka!

After School Program for 8th grade females

The Eureka! Program is a STEM-based approach to engaging and empowering 8th to 12th grade girls to see themselves as an important part of the workforce of the future. During the Eureka! Program, girls get to participate in a variety of exciting and compelling activities that explore the cutting-edge world of STEM-nanoscience, robotics, DNA research, forensic science- through hands-on experiences in a college campus environment. With complementary activities in sports and physical fitness, healthy living and financial literacy, Eureka! Fully fosters educational, professional, and personal development. Eureka! is a five-year program that brings girls, onto local college/university campuses for an intensive summer program. As Eureka! continues through the school year, cohorts of girls stay together throughout the course of the program sharing hands-on, minds-on, untimed and ungraded opportunities for guided exploration and skills and knowledge building. If any 8th grade female students are interested, please email Ms. Rubio. rubio.janina.m@muscogee.k12.ga.us

Seventh & Eighth Graders Join Us Monday

We look forward to welcoming our traditional seventh and eighth grade students in the building Monday. Students, please note: **seventh** graders enter the building through the **seventh** grade hallway and **eighth** graders through the **eighth** grade hallway. You will have a temperature check as you arrive. Make sure you do not go to other grade level hallways; this presents a health hazard.

Cheerleading Tryouts
Friday, Sept 18
5:00-7:00

Check-In Procedures

If your student is tardy for any reason, they will need to ring the bell and wait for a staff member to come to the door to check them in. If a student is late due to a doctor's appointment, please email your excuse to E044612@muscogee.k12.ga.us.

Check-Out Procedures

If you need to check your student out, please call the front office prior to your arrival. All parents/approved adults will be REQUIRED to show ID when checking out students.

When you arrive at the school, ring the bell at the front door. A staff member will meet you at the door, scan your ID, then call your student from class. (This may take longer than before, so please arrive with enough time for us to follow proper protocol.) Per MCS D regulations, students CANNOT be checked out after 3:20 pm.

Forgotten Items Drop-off

If you need to drop off an item for your child, you will contact the office by phone when arriving, and a staff member will meet you at the door to receive the item. No outside food will be allowed this year due to precautions with COVID.

Parent Conferences

All parent conferences will be held via Zoom or by phone.

News from the PTO

Parents, it's still not too late to join our PTO! We are extending our PTO membership drive until next Friday. For memberships and ordering, please visit the following site:

<https://blackmon-road-middle-school-pto.square.site/>

Our next PTO Meeting will be Thursday, September 24, at 6:00 pm. The Zoom link for our meeting will be emailed to all next week.

Pre-Sales only from September 3-17. If you pay online, a small processing fee will be applied. Please call the school to set up an appointment if you would like to pay with cash or check. EXACT CHANGE ONLY PLEASE

Chromebook Troubles?

Virtual students, if you are having any issues with your Chromebook, please call Tech Support at 706-748-2271* or call the school to set up a time for us to change out your Chromebook. By calling ahead, it allows the school time to have a replacement ready so you aren't away from class too long.

*If Tech Support advises you to exchange your Chromebook, we will still need you to call the school and let us know you are coming.

Traditional students, please notify your teacher if you're having Chromebook trouble. Your teacher will fill out an online ticket to inform Ms. Hudnall who will swap out your Chromebook after she receives the ticket.

News from the Media Center

Don't forget to read! To check out library books from our media center, find this image on the BRMS website homepage. Click it for check-out instructions.

Science Fair Information

Interested participants please go to the Science web pages to join the Science Fair Canvas Page. Mrs. Carr will use Canvas to send announcements and emails. The Preliminary Proposal with topic and question filled out is due. Follow the PPT online and the link inside. Do not share the form, but SUBMIT it using the submit button on the top right.

Congratulations, Debate Team Members

Congratulations to all of those who made the debate team this year! It was really difficult to pick because we had so many excellent people who tried out.

EAGLE

GROWTH

CHALLENGE

2020 - 2021 Eagle Progress Monitoring

Each grading period, students will complete their student progress monitoring sheet. If growth is shown in class averages and Achieve Lexile, students will be awarded a pass to be used during the school day and/or cafeteria time.

*Scores must be a 71 or above in order to be considered. Any grades of 70 and below, will disqualify a child from receiving a pass.

* Lexile growth in Achieve 3000 must occur to receive a pass unless a child reaches the top Lexile within Achieve 3000.

Students who qualify cannot allow other students to use their passes and/or personal cell phones. Students will be given a lanyard with a pass to use. Students must keep up with their passes in order to participate. Replacement lanyards/passes are \$2.00.
