### Young Georgia Authors Writing Competition

#### About the Competition:

The purpose of the Young Georgia Authors (YGA) writing competition is to encourage students to develop enthusiasm for and expertise in their writing, to provide a context to celebrate their writing successes, and to recognize student achievement in arts and academics.

This prestigious competition has been engaging Georgia students for more than two decades and is open to any student currently enrolled in Georgia public schools, grades K-12. The competition is sponsored by the Georgia Language Arts Supervisors (GLAS) and the Georgia RESA Network with support from the Georgia Department of Education.

#### WRITING TYPES

Unlike many writing competitions, YGA does not provide a prompt to which students must respond or provide any other boundaries to their genre choice or creativity beyond a 1900-word maximum length. Entries may include:

- Short Stories
- Poetry
- Essays/Literary Criticism/Analysis
- Journalism
- Academic/Research Reports
- Personal Narratives
- Any Other Original Student Writing

Contest entries are due to your ELA teacher by **February 8th**. Students should talk to their ELA teacher for more details.

### Progress Reports go out

**Friday, February 5**

Students, work **Eagle Strong** to get/keep those grades up!
