

## **BRMS Volleyball Parent Contract**

As the parent of \_\_\_\_\_(Print Name), I  
\_\_\_\_\_ (Print Name) understand and agree to following:

1. I will always model good sportsmanship by the way I treat all athletes, coaches, officials, administrators and other fans.
  
2. I will be a supportive parent and be positive about my daughter's playing experience. I will also support her teammates, coaches, and parents inside and outside the gym. I understand that only positive comments about a player, coach, or a competitor should be posted on public websites including Facebook and Twitter.
  
3. I will always refrain from coaching my student athlete immediately before, during, and immediately after matches.
  
4. I acknowledge that not every player will receive equal playing time and that those decisions will be made by the coaches without input from parents. I agree to allow my player to discuss playing time with her coach if she seeks to do so on her own.
  
6. I will encourage my daughter to resolve any issues on her own before I get involved. I understand this is part of her growth process. When I need to communicate concerns to the coaches, I understand that I should not do this during practices, and immediately before or after games.
7. I understand there is a "no contact for 24 hours" rule following competitive play. This rule states there will be no contact with coaches following a game or tournament after the triggering event. Cooler heads are inevitably more productive. Any concerns the parent may have will be addressed AFTER the 24-hour period following the game or tournament. At NO time will I attempt to discuss any issue with the coach around the players, spectators, or other parents.
  
8. I will support my daughter in the team's fundraising efforts. I understand that this is her responsibility, and I will follow up with her to be sure she is doing her part.
  
9. I understand that during home games, the home team is responsible for providing a score keeper, score flipper, libero tracker and the line judges. I will become familiar with these responsibilities and volunteer to help in the needed capacity.
  
10. I will be ON TIME to all of my work duties (concessions, line judging, passing out tickets and snack duty). If I cannot work my duty station I will find coverage PRIOR TO my duty day.
