Dear Parents,

The first semester of the school year is coming to an end. It has been exciting and such a great experience for us. Blanchard Elementary School is a hidden secret in our community due to its warm and inviting spirit.

We have some more exciting news to share with you!!! Ms. Malcomb's class won the *Achieve 3000 Read to Succeed Contest*. They were presented with a gift card to host a party to celebrate their success. Our Robotics team won a trophy in the Robot Design Category at the MCS D Lego League Regional Competition last weekend. Finally, we exceeded the state's expectation on our Georgia State Nutrition Review. There were no recommendations noted for improvement. Happy Holidays!!!
