

## How to use the Daily Health Assessment QR Code

**NOTE:** This is only necessary if you did not receive the daily notification email or do not have email access.

**Step 1:** Take out your phone (**note: you may need to download a QR Code scanner app**).

**Step 2:** Open your camera and point towards the QR Code and you will notice a link pop up at the top of your phone (**see example below**).

**Step 3:** Open the link and you will be directed to the Daily Health Assessment.
