

Mrs. Potenza's 4th Grade Emergency Plans

Day 11 Digital Plan (Math)

Fluency: Log in to XTRAmath via Clever (app is on my teacher page) and complete daily practice. Please continue until the program says you are done for the day.

Skill Focus: Log in to IXL via Clever (app is on district page) and choose one starred lesson under 4th grade that you have not mastered. Work to get your SMART score to 80 or higher. If you have a medal next to a strand then you have already mastered it.

Core Lesson: Log in to Pearson Easy Bridge (Envisions Math) via the district Clever page and complete Using Multiplication Facts to Find Division Facts Lesson 1-9 in your TO DO.

1. Watch the video
2. Complete the Guided and Independent Practice
3. Complete the quiz

Day 11 Printed Plan (Math)

To be completed only in the absence of Internet access

Fluency: Write your 1 and 2 times tables two times each

Skill Focus: Complete Reteach page 1-9 from Envision Workbook

Core Lesson:

1. Review Visual Learning banner in the pink box at the top of pages 28-29 in your math textbook.
2. Complete Independent Practice Problems pg 28 # 9-12
3. Complete Problem Solving pg 29 #28-32

*Keep up with your work as you will need to turn it in upon return to school.

Day 11 Plan (Science)

Review: Read the chapter on Space Technology (pg 16-18) in your science textbook

Practice: Answer the questions in the yellow box at the end of the chapter pg 19

*Please keep up with your work as you will need to turn it in upon return to school.

Day 12 (Digital Plan) Math

Fluency: Log in to XTRAmath via Clever (app is on my teacher page) and complete daily practice. Please continue until the program says you are done for the day.

Skill Focus: Log in to IXL via Clever (app is on district page) and choose one starred lesson under 4th grade that you have not mastered. Work to get your SMART score to 80 or higher. If you have a medal next to a strand then you have already mastered it.

Core Lesson: Log in to Pearson Easy Bridge (Envisions Math) via the district Clever page and complete Problem Solving: Draw a Picture and Write an Equation lesson 1-10 in your TO DO.

1. Watch the video
2. Complete the Guided and Independent Practice
3. Complete the quiz

Day 12 Printed Plan (Math)

To be completed only in the absence of Internet access

Fluency: Write your 3 and 4 times tables two times each

Skill Focus: Complete Reteach page 1-10 from Envision Workbook

Core Lesson:

1. Review Visual Learning banner in the yellow box at the top of pages 30-31 in your math textbook.
2. Complete Independent Practice Problems pg 30-31 #4-10

*Keep up with your work as you will need to turn it in upon return to school.

Day 12 Plan (Science)

Review: Read the chapter on the Inner Planets (pg 32-36) in your science textbook

Practice: Answer the questions in the yellow box at the end of the chapter pg 37

*Please keep up with your work as you will need to turn it in upon return to school.

Day 13 (Digital Plan) Math

Fluency: Log in to XTRAmath via Clever (app is on my teacher page) and complete daily practice. Please continue until the program says you are done for the day.

Skill Focus: Log in to IXL via Clever (app is on district page) and complete a 30 minute session in the diagnostic arena. Set a timer for yourself so you know when your session is complete.

Core Lesson: Log in to Pearson Easy Bridge (Envisions Math) via the district Clever page and complete Number Sequences Lesson 2-2 in your TO DO.

1. Watch the video
2. Complete the Guided and Independent Practice
3. Complete the quiz

Day 13 Printed Plan (Math)

To be completed only in the absence of Internet access

Fluency: Write your 5 and 6 times tables two times each

Skill Focus: Complete Reteach page 2-2 from Envision Workbook

Core Lesson:

1. Review Visual Learning banner in the pink box at the top of pages 42-43 in your math textbook.
2. Complete Independent Practice Problems pg 42 #11-16
3. Complete Problem Solving pg 43 #17-21

*Keep up with your work as you will need to turn it in upon return to school.

Day 13 Plan (Science)

Review: Read the chapter on Outer Planets (pg 40-44) in your science textbook

Practice: Answer the questions in the yellow box at the end of the chapter pg 45

*Please keep up with your work as you will need to turn it in upon return to school.

Day 14 (Digital Plan) Math

Fluency: Log in to XTRAmath via Clever (app is on my teacher page) and complete daily practice. Please continue until the program says you are done for the day.

Skill Focus: Log in to IXL via Clever (app is on district page) and choose one starred lesson under 4th grade that you have not mastered. Work to get your SMART score to 80 or higher. If you have a medal next to a strand then you have already mastered it.

Core Lesson: Log in to Pearson Easy Bridge (Envisions Math) via the district Clever page and complete Extending Tables Lesson 2-3 in your TO DO.

1. Watch the video
2. Complete the Guided and Independent Practice
3. Complete the quiz

Day 14 Printed Plan (Math)

To be completed only in the absence of Internet access

Fluency: Write your 7 and 8 times tables two times each.

Skill Focus: Complete Reteach page 2-3 from Envision Workbook

Core Lesson:

1. Review Visual Learning banner in the pink box at the top of pages 44-45 in your math textbook.
2. Complete Independent Practice Problems pg 44 #5-7
3. Complete Problem Solving pg 45 #9-14

*Keep up with your work as you will need to turn it in upon return to school.

Day 14 Plan (Science)

Review: Complete Vocabulary on textbook page 50 #1-10. Copy each sentence onto a sheet of notebook paper and fill in the blank with the correct word.

Practice: Answer the questions in the white box labeled CRCT Prep on page 51 #17-20.

*Please keep up with your work as you will need to turn it in upon return to school.

Day 15 (Digital Plan) Math

Fluency: Log in to XTRAmath via Clever (app is on my teacher page) and complete daily practice. Please continue until the program says you are done for the day.

Skill Focus: Log in to IXL via Clever (app is on district page) and choose one starred lesson under 4th grade that you have not mastered. Work to get your SMART score to 80 or higher. If you have a medal next to a strand then you have already mastered it.

Core Lesson: Log in to Pearson Easy Bridge (Envisions Math) via the district Clever page and complete Geometric Patterns Lesson 2-5 in your TO DO.

1. Watch the video
2. Complete the Guided and Independent Practice
3. Complete the quiz

Day 15 Printed Plan (Math)

To be completed only in the absence of Internet access

Fluency: Write your 9 and 10 times tables two times each.

Skill Focus: Complete Reteach page 2-5 from Envision Workbook

Core Lesson:

1. Review Visual Learning banner in the pink box at the top of pages 50-51 in your math textbook.
2. Complete Independent Practice Problems pg 52 #7-10
3. Complete Problem Solving pg 53 #14-22

*Keep up with your work as you will need to turn it in upon return to school.

Day 15 Plan (Science)

Review: Read the chapter on seasons (pg 64-68) in your science textbook

Practice: Answer the questions in the yellow box at the end of the chapter pg 69

*Please keep up with your work as you will need to turn it in upon return to school.

Day 16 Digital Plan (Math)

Fluency: Log in to XTRAmath via Clever (app is on my teacher page) and complete daily practice. Please continue until the program says you are done for the day.

Skill Focus: Log in to IXL via Clever (app is on district page) and choose one starred lesson under 4th grade that you have not mastered. Work to get your SMART score to 80 or higher. If you have a medal next to a strand then you have already mastered it.

Core Lesson: Log in to Pearson Easy Bridge (Envisions Math) via the district Clever page and complete Adding Whole Numbers Lesson 4-3 in your TO DO.

1. Watch the video
2. Complete the Guided and Independent Practice
3. Complete the quiz

Day 16 Printed Plan (Math)

To be completed only in the absence of Internet access

Fluency: Write your 11 and 12 times tables two times each.

Skill Focus: Complete Reteach page 4-3 from Envision Workbook

Core Lesson:

1. Review Visual Learning banner in the blue box at the top of pages 96-97 in your math textbook.
2. Complete Independent Practice Problems pg 98 #9-13
3. Complete Problem Solving pg 98 #25-31

*Keep up with your work as you will need to turn it in upon return to school.

Day 16 Plan (Science)

Review: Read the chapter on Stars (82-86) in your science textbook

Practice: Answer the questions in the yellow box at the end of the chapter (pg 87)

*Please keep up with your work as you will need to turn it in upon return to school.

Day 17 (Digital Plan) Math

Fluency: Log in to XTRAmath via Clever (app is on my teacher page) and complete daily practice. Please continue until the program says you are done for the day.

Skill Focus: Log in to IXL via Clever (app is on district page) and choose one starred lesson under 4th grade that you have not mastered. Work to get your SMART score to 80 or higher. If you have a medal next to a strand then you have already mastered it.

Core Lesson: Log in to Pearson Easy Bridge (Envisions Math) via the district Clever page and complete Subtracting Whole Numbers Lesson 4-4 in your TO DO.

1. Watch the video
2. Complete the Guided and Independent Practice
3. Complete the quiz

Day 17 Printed Plan (Math)

To be completed only in the absence of Internet access

Fluency: Set a timer for 2 minutes. See how many times you can write the two times tables before time runs out.

Skill Focus: Complete Reteach page 4-4 from Envision Workbook

Core Lesson:

1. Review Visual Learning banner in the blue box at the top of pages 100-101 in your math textbook.
2. Complete Independent Practice Problems pg 100 #11-18
3. Complete Problem Solving pg 101 #27-31

*Keep up with your work as you will need to turn it in upon return to school.

Day 17 Plan (Science)

Review: Complete Vocabulary on textbook page 92 #1-10. Copy each sentence onto a sheet of notebook paper and fill in the blank with the correct word.

Practice: Answer the questions in the white box labeled CRCT Prep on page 93 #18-21.

*Please keep up with your work as you will need to turn it in upon return to school.

Day 18 (Digital Plan) Math

Fluency: Log in to XTRAmath via Clever (app is on my teacher page) and complete daily practice. Please continue until the program says you are done for the day.

Skill Focus: Log in to IXL via Clever (app is on district page) and complete a 30 minute session in the diagnostic arena. Set a timer for yourself so you know when your session is complete.

Core Lesson: Log in to Pearson Easy Bridge (Envisions Math) via the district Clever page and complete Subtracting Across Zeros Lesson 4-5 in your TO DO.

1. Watch the video
2. Complete the Guided and Independent Practice
3. Complete the quiz

Day 18 Printed Plan (Math)

To be completed only in the absence of Internet access

Fluency: Set a timer for 2 minutes. See how many times you can write the three times tables before time runs out.

Skill Focus: Complete Reteach page 4-5 from Envision Workbook

Core Lesson:

1. Review Visual Learning banner in the blue box at the top of pages 102-103 in your math textbook.
2. Complete Independent Practice Problems pg 102 #13-20
3. Complete Problem Solving pg 103 #29-34

*Keep up with your work as you will need to turn it in upon return to school.

Day 18 Plan (Science)

Review: Read the chapter on Climates (pg 130-134) in your science textbook

Practice: Answer the questions in the yellow box at the end of the chapter pg 135

*Please keep up with your work as you will need to turn it in upon return to school.

Day 19 (Digital Plan) Math

Fluency: Log in to XTRAmath via Clever (app is on my teacher page) and complete daily practice. Please continue until the program says you are done for the day.

Skill Focus: Log in to IXL via Clever (app is on district page) and choose one starred lesson under 4th grade that you have not mastered. Work to get your SMART score to 80 or higher. If you have a medal next to a strand then you have already mastered it.

Core Lesson: Log in to Pearson Easy Bridge (Envisions Math) via the district Clever page and complete Multiplying by Multiples of 10 and 100 Lesson 5-2 in your TO DO.

1. Watch the video
2. Complete the Guided and Independent Practice
3. Complete the quiz

Day 19 Printed Plan (Math)

To be completed only in the absence of Internet access

Fluency: Set a timer for 2 minutes. See how many times you can write the four times tables before time runs out.

Skill Focus: Complete Reteach page 5-2 from Envision Workbook

Core Lesson:

1. Review Visual Learning banner in the blue box at the top of pages 118-119 in your math textbook.
2. Complete Independent Practice Problems pg 118 #13-27
3. Complete Problem Solving pg 119 #33-38

*Keep up with your work as you will need to turn it in upon return to school.

Day 19 Plan (Science)

Review: Read the chapter on Paths of Light (pg 170-172) in your science textbook

Practice: Answer the questions in the yellow box at the end of the chapter pg 173

*Please keep up with your work as you will need to turn it in upon return to school.

Day 20 (Digital Plan) Math

Fluency: Log in to XTRAmath via Clever (app is on my teacher page) and complete daily practice. Please continue until the program says you are done for the day.

Skill Focus: Log in to IXL via Clever (app is on district page) and choose one starred lesson under 4th grade that you have not mastered. Work to get your SMART score to 80 or higher. If you have a medal next to a strand then you have already mastered it.

Core Lesson: Log in to Pearson Easy Bridge (Envisions Math) via the district Clever page and complete Using Rounding to Estimate Lesson 5-5 in your TO DO.

1. Watch the video
2. Complete the Guided and Independent Practice
3. Complete the quiz

Day 20 Printed Plan (Math)

To be completed only in the absence of Internet access

Fluency: Set a timer for 2 minutes. See how many times you can write the five times tables before time runs out.

Skill Focus: Complete Reteach page 5-5 from Envision Workbook

Core Lesson:

1. Review Visual Learning banner in the blue box at the top of pages 124-125 in your math textbook.
2. Complete Independent Practice Problems pg 124 #11-15

3. Complete Problem Solving pg 125 #35-41

*Keep up with your work as you will need to turn it in upon return to school.

Day 20 Plan (Science)

Review: Read the chapter on Color (pg 178-180) in your science textbook

Practice: Answer the questions in the yellow box at the end of the chapter pg 181

*Please keep up with your work as you will need to turn it in upon return to school.

Day 21 Digital Plan (Math)

Fluency: Log in to XTRAmath via Clever (app is on my teacher page) and complete daily practice. Please continue until the program says you are done for the day.

Skill Focus: Log in to IXL via Clever (app is on district page) and choose one starred lesson under 4th grade that you have not mastered. Work to get your SMART score to 80 or higher. If you have a medal next to a strand then you have already mastered it.

Core Lesson: Log in to Pearson Easy Bridge (Envisions Math) via the district Clever page and complete Arrays and Multiplying 2-Digit Numbers by Multiples of 10 Lesson 7-1 in your TO DO.

1. Watch the video
2. Complete the Guided and Independent Practice
3. Complete the quiz

Day 21 Printed Plan (Math)

To be completed only in the absence of Internet access

Fluency: Set a timer for 2 minutes. See how many times you can write the six times tables before time runs out.

Skill Focus: Complete Reteach page 7-1 from Envision Workbook

Core Lesson:

1. Review Visual Learning banner in the blue box at the top of pages 166-167 in your math textbook.
2. Complete Independent Practice Problems pg 167 #9-12
3. Complete Problem Solving pg 168 #23-29

*Keep up with your work as you will need to turn it in upon return to school.

Day 21 Plan (Science)

Review: Complete Vocabulary on textbook page 186 #1-10. Copy each sentence onto a sheet of notebook paper and fill in the blank with the correct word.

Practice: Answer the questions in the white box labeled CRCT Prep on page 187 #18-21.

*Please keep up with your work as you will need to turn it in upon return to school.

Day 22 (Digital Plan) Math

Fluency: Log in to XTRAmath via Clever (app is on my teacher page) and complete daily practice. Please continue until the program says you are done for the day.

Skill Focus: Log in to IXL via Clever (app is on district page) and choose one starred lesson under 4th grade that you have not mastered. Work to get your SMART score to 80 or higher. If you have a medal next to a strand then you have already mastered it.

Core Lesson: Log in to Pearson Easy Bridge (Envisions Math) via the district Clever page and complete Using Rounding to Estimate lesson 7-3 in your TO DO.

1. Watch the video
2. Complete the Guided and Independent Practice
3. Complete the quiz

Day 22 Printed Plan (Math)

To be completed only in the absence of Internet access

Fluency: Set a timer for 2 minutes. See how many times you can write the seven times tables before time runs out.

Skill Focus: Complete Reteach page 7-3 from Envision Workbook

Core Lesson:

1. Review Visual Learning banner in the blue box at the top of pages 172-173 in your math textbook.
2. Complete Independent Practice Problems pg 172 #7-12
3. Complete Problem Solving pg 173 #25-32

*Keep up with your work as you will need to turn it in upon return to school.

Day 22 Plan (Science)

Review: Read the chapter on Different Sounds (pg 206-210) in your science textbook

Practice: Answer the questions in the yellow box at the end of the chapter pg 211

*Please keep up with your work as you will need to turn it in upon return to school.

Day 23 (Digital Plan) Math

Fluency: Log in to XTRAmath via Clever (app is on my teacher page) and complete daily practice. Please continue until the program says you are done for the day.

Skill Focus: Log in to IXL via Clever (app is on district page) and complete a 30 minute session in the diagnostic arena. Set a timer for yourself so you know when your session is complete.

Core Lesson: Log in to Pearson Easy Bridge (Envisions Math) via the district Clever page and complete Multiplying 2-Digit Numbers by Multiples of 10 Lesson 8-3 in your TO DO.

1. Watch the video
2. Complete the Guided and Independent Practice
3. Complete the quiz

Day 23 Printed Plan (Math)

To be completed only in the absence of Internet access

Fluency: Set a timer for 2 minutes. See how many times you can write the eight times tables before time runs out.

Skill Focus: Complete Reteach page 8-3 from Envision Workbook

Core Lesson:

1. Review Visual Learning banner in the blue box at the top of pages 192-193 in your math textbook.
2. Complete Independent Practice Problems pg 192 #15-22
3. Complete Problem Solving pg 193 #31-35

*Keep up with your work as you will need to turn it in upon return to school.

Day 23 Plan (Science)

Review: Complete Vocabulary on textbook page 216 #1-10. Copy each sentence onto a sheet of notebook paper and fill in the blank with the correct word.

Practice: Answer the questions in the white box labeled CRCT Prep on page 217 #17-20.

*Please keep up with your work as you will need to turn it in upon return to school.

Day 24 (Digital Plan) Math

Fluency: Log in to XTRAmath via Clever (app is on my teacher page) and complete daily practice. Please continue until the program says you are done for the day.

Skill Focus: Log in to IXL via Clever (app is on district page) and choose one starred lesson under 4th grade that you have not mastered. Work to get your SMART score to 80 or higher. If you have a medal next to a strand then you have already mastered it.

Core Lesson: Log in to Pearson Easy Bridge (Envisions Math) via the district Clever page and complete Multiplication and Division Stories Lesson 9-5 in your TO DO.

1. Watch the video
2. Complete the Guided and Independent Practice
3. Complete the quiz

Day 24 Printed Plan (Math)

To be completed only in the absence of Internet access

Fluency: Set a timer for 2 minutes. See how many times you can write the nine times tables before time runs out.

Skill Focus: Complete Reteach page 9-5 from Envision Workbook

Core Lesson:

1. Review Visual Learning banner in the blue box at the top of pages 214-215 in your math textbook.
2. Complete Independent Practice Problems pg 215 #6-11
3. Complete Problem Solving pg 216 #12-19

*Keep up with your work as you will need to turn it in upon return to school.

Day 24 Plan (Science)

Review: Read the chapter on Describing and Measuring Motion (pg 224-228) in your science textbook

Practice: Answer the questions in the yellow box at the end of the chapter pg 229

*Please keep up with your work as you will need to turn it in upon return to school.

Day 25 (Digital Plan) Math

Fluency: Log in to XTRAmath via Clever (app is on my teacher page) and complete daily practice. Please continue until the program says you are done for the day.

Skill Focus: Log in to IXL via Clever (app is on district page) and choose one starred lesson under 4th grade that you have not mastered. Work to get your SMART score to 80 or higher. If you have a medal next to a strand then you have already mastered it.

Core Lesson: Log in to Pearson Easy Bridge (Envisions Math) via the district Clever page and complete Deciding Where to Start Dividing Lesson 10-6 in your TO DO.

1. Watch the video
2. Complete the Guided and Independent Practice
3. Complete the quiz

Day 25 Printed Plan (Math)**To be completed only in the absence of Internet access**

Fluency: Set a timer for 2 minutes. See how many times you can write the ten times tables before time runs out.

Skill Focus: Complete Reteach page 10-6 from Envision Workbook

Core Lesson:

1. Review Visual Learning banner in the blue box at the top of pages 242-243 in your math textbook.
2. Complete Independent Practice Problems pg 242 #9-13
3. Complete Problem Solving pg 243 #24-27

*Keep up with your work as you will need to turn it in upon return to school.

Day 25 Plan (Science)

Review: Complete Vocabulary on textbook page 252 #1-10. Copy each sentence onto a sheet of notebook paper and fill in the blank with the correct word.

Practice: Answer the questions in the white box labeled CRCT Prep on page 253 #17-20.

*Please keep up with your work as you will need to turn it in upon return to school.

Day 26 Digital Plan (Math)

Fluency: Log in to XTRAmath via Clever (app is on my teacher page) and complete daily practice. Please continue until the program says you are done for the day.

Skill Focus: Log in to IXL via Clever (app is on district page) and choose one starred lesson under 4th grade that you have not mastered. Work to get your SMART score to 80 or higher. If you have a medal next to a strand then you have already mastered it.

Core Lesson: Log in to Pearson Easy Bridge (Envisions Math) via the district Clever page and complete Dividing 2-Digit by 1-Digit Numbers Lesson 10-4 in your TO DO.

1. Watch the video
2. Complete the Guided and Independent Practice
3. Complete the quiz

Day 26 Printed Plan (Math)

To be completed only in the absence of Internet access

Fluency: Set a timer for 2 minutes. See how many times you can write the eleven times tables before time runs out.

Skill Focus: Complete Reteach page 10-4 from Envision Workbook

Core Lesson:

1. Review Visual Learning banner in the blue box at the top of pages 236-237 in your math textbook.
2. Complete Independent Practice Problems pg 237 # 9-13
3. Complete Problem Solving pg 238 #29-36

*Keep up with your work as you will need to turn it in upon return to school.

Day 26 Plan (Science)

Practice: Complete the CRCT Prep on pages 254-255. Just write answers on your notebook paper. You do not need to write the questions.

*Please keep up with your work as you will need to turn it in upon return to school.

Day 27 (Digital Plan) Math

Fluency: Log in to XTRAmath via Clever (app is on my teacher page) and complete daily practice. Please continue until the program says you are done for the day.

Skill Focus: Log in to IXL via Clever (app is on district page) and choose one starred lesson under 4th grade that you have not mastered. Work to get your SMART score to 80 or higher. If you have a medal next to a strand then you have already mastered it.

Core Lesson: Log in to Pearson Easy Bridge (Envisions Math) via the district Clever page and complete Dividing 3-Digit Numbers by 1-Digit Numbers Lesson 10-5 in your TO DO.

1. Watch the video
2. Complete the Guided and Independent Practice
3. Complete the quiz

Day 27 Printed Plan (Math)

To be completed only in the absence of Internet access

Fluency: Set a timer for 2 minutes. See how many times you can write the twelve times tables before time runs out.

Skill Focus: Complete Reteach page 10-5 from Envision Workbook

Core Lesson:

1. Review Visual Learning banner in the blue box at the top of pages 240-241 in your math textbook.
2. Complete Independent Practice Problems pg 240 #9-13
3. Complete Problem Solving pg 241 #14-19

*Keep up with your work as you will need to turn it in upon return to school.

Day 27 Plan (Science)

Practice: Make a list of at least one example of each type of simple machine (wedge, pulley, lever, wheel and axle, screw, and incline plane) you find around your house. For example your mailbox lid would be a lever.

*Please keep up with your work as you will need to turn it in upon return to school.

Day 28 (Digital Plan) Math

Fluency: Log in to XTRAmath via Clever (app is on my teacher page) and complete daily practice. Please continue until the program says you are done for the day.

Skill Focus: Log in to IXL via Clever (app is on district page) and complete a 30 minute session in the diagnostic arena. Set a timer for yourself so you know when your session is complete.

Core Lesson: Log in to Pearson Easy Bridge (Envisions Math) via the district Clever page and complete Dividing 4-Digit Numbers by 1-Digit Numbers Lesson 10-7 in your TO DO.

1. Watch the video
2. Complete the Guided and Independent Practice
3. Complete the quiz

Day 28 Printed Plan (Math)

To be completed only in the absence of Internet access

Fluency: Make-Up a song to help you remember your times tables.

Skill Focus: Complete Reteach page 10-7 from Envision Workbook

Core Lesson:

1. Review Visual Learning banner in the blue box at the top of pages 244-245 in your math textbook.
2. Complete Independent Practice Problems pg 244 #7-10 Don't worry about estimating.
3. Complete Problem Solving pg 245 #17-23

*Keep up with your work as you will need to turn it in upon return to school.

Day 28 Plan (Science)

Review: Read the chapter on Roles of Living Things (pg 288-292) in your science textbook

Practice: Answer the questions in the yellow box at the end of the chapter pg 293

*Please keep up with your work as you will need to turn it in upon return to school.

Day 29 (Digital Plan) Math

Fluency: Log in to XTRAmath via Clever (app is on my teacher page) and complete daily practice. Please continue until the program says you are done for the day.

Skill Focus: Log in to IXL via Clever (app is on district page) and choose one starred lesson under 4th grade that you have not mastered. Work to get your SMART score to 80 or higher. If you have a medal next to a strand then you have already mastered it.

Core Lesson: Log in to Pearson Easy Bridge (Envisions Math) via the district Clever page and complete Problem Solving: Multiple Step Problems Lesson 10-8 in your TO DO.

1. Watch the video
2. Complete the Guided and Independent Practice
3. Complete the quiz

Day 29 Printed Plan (Math)

To be completed only in the absence of Internet access

Fluency: Practice singing the song you made up yesterday to work on your fact fluency.

Skill Focus: Complete Reteach page 10-8 from Envision Workbook

Core Lesson:

1. Review Visual Learning banner in the yellow box at the top of pages 246-247 in your math textbook.
2. Complete Independent Practice Problems pg 246 #4-5
3. Complete Problem Solving pg 247 #6-12

*Keep up with your work as you will need to turn it in upon return to school.

Day 29 Plan (Science)

Review: Read the chapter on Path of Energy (pg 306-310) in your science textbook

Practice: Answer the questions in the yellow box at the end of the chapter pg 311

*Please keep up with your work as you will need to turn it in upon return to school.

Day 30 (Digital Plan) Math

Fluency: Log in to XTRAmath via Clever (app is on my teacher page) and complete daily practice. Please continue until the program says you are done for the day.

Skill Focus: Log in to IXL via Clever (app is on district page) and choose one starred lesson under 4th grade that you have not mastered. Work to get your SMART score to 80 or higher. If you have a medal next to a strand then you have already mastered it.

Core Lesson: Log in to Pearson Easy Bridge (Envisions Math) via the district Clever page and complete Factors Lesson 11-1 in your TO DO.

1. Watch the video
2. Complete the Guided and Independent Practice

3. Complete the quiz

Day 30 Printed Plan (Math)

To be completed only in the absence of Internet access
