August 10, 2018

**Welcome back to school!** We have had a wonderful first 3 days of school!! Thank you so much for sharing your sweet children with us. Our theme for ERA this year is to “Choose Kindness”. Look for more information to come! We would like to welcome Dr. Williams, our new Assistant Principal. Orientations for grade levels will begin August 20th. Kindergarten has already held their orientation. These meetings are planned for parents to get information about school and the classroom. Teachers will share their procedures and policies for homework, grading, attendance, etc. It will be a good time to ask any questions you may have about the upcoming year. This is not a time that students will share their work with parents therefore, it is not necessary for the children to attend.

You will also find the ERA traffic pattern at the end of our Flyer. Please adhere to the flow of traffic specified. This is to ensure the safety of our students and allow for the fastest way for dropping your children off at school.

When you ask your child what they did today, do you hear "I don't know"?

Here are some conversation starters that may help!

- \*What's the coolest thing that happened today? What wasn't so cool?
- \*What made you laugh?
- \*What was the most creative thing you did?
- \*How were you kind or helpful today? Was anyone kind or helpful to you?
