## **CORE CURRICULUM CLASSES**

In October, the students and I will be discussing the importance of having a growth mindset versus a fixed mindset.

These discussions have been about academics and school related activities as well as friendships, sports, extra curricular activities and home! We want ERA students to always be willing to meet a new challenge and have the power of the word Yet! During the last few weeks of October we will be discussing Leading an Alcohol and Drug Free Life Awareness during our Red Ribbon Week, October 25-29.

## Word of the Month for October

**RESPECT—showing regard for the worth of self, others or something**

## Affirmations of the Month for October

**Respect yourself and others will respect you.**

**Golden rule, treat others the way you want to be treated.**

**One of the most sincere forms of respect is actually listening to what another has to say.**

**Education is the most powerful weapon which you can use to change the world.**
