ELEMENTARY AND SECONDARY

Process for Excused and Unexcused Absences

Excused Absences

School faculty and staff registers absences as excused only for those reasons cited in the Muscogee County School District Attendance Policy. Such reasons typically cited include personal illness, health care, death of the immediate family member, approved educational travel, and religious holidays. Refer to MCSD Student Handbook and Code of Conduct.

Unexcused Absences

When students are absent for reasons other than those permitted under the Muscogee County School District Attendance Policy, those absences are recorded as unexcused absences. In addition, if documentation is not submitted to the school **within three (3) days** of an absence, regardless of the reason, any absence becomes unexcused.

Internet and Technology Issues

Internet and Technology Issues are limited to seven excused incidents per school year. After seven (7) excused internet/technology issues, the parent/guardian shall provide documentation to the teacher or Attendance Clerk/School Clerk for the eighth and subsequent excuses for internet/technology issues. Attendance Clerk/School Clerk will denote said excuse in Infinite Campus. If proper documentation is not submitted to the school **within three (3) school days**, this may be considered an unexcused absence. School Administration will determine acceptable methods of documentation. Refer to Documentation to Excused Absences

- Process to monitoring attendance and recording absences and tardiness is the same as Virtual Choice Model. Refer to Process for Monitoring Virtual Attendance, Excused Absences, and Unexcused Absences Section.
- To allow for flexibility in the Mandated Full Virtual Model, students who are unable to attend school virtually during regularly schedule class or school day may view recorded sessions.
- During Mandated Full Virtual Model, students are afforded the opportunity to make-up excused and unexcused absences by listening to recorded lessons and submitting in-class and homework assignments to the teacher within three (3) school days of absence. Parents/Guardians or students shall provide written documentation noting the reason for the absence.
- Teacher of record contacts the parent/guardian if student misses consecutive days or does not engage in instruction.

Truancy

Responsibility for holding students compliant with state attendance statutes and regulations belongs to the school, but parents are obligated to keep an accurate record of daily attendance. A Muscogee County School District student is considered truant if he or she fails, without a legitimate excuse, to log attendance for five non-consecutive school calendar days. After ten days of unexcused absences and/or failure to log attendance, a student can be withdrawn due to non-attendance. Required classes are a component of attendance and a student will be considered truant if they miss required classes without an approved school excuse. Failure to attend required classes, regardless of logged attendance can result in a determination of truancy as cited in MCSD Board Policies JB and JBA. Parents and guardians of students attending school in a virtual setting are subject to the Georgia Compulsory Attendance Law O.C.G. A §20-2-690.1. Considerations for absences will be given to students while attending school in a Mandated Virtual Model. Refer to Mandated Virtual Model

All MCS D technology equipment must be returned to the school personnel at the time of the scheduled appointment. Proof of registration at another school or a homeschool declaration must be sent to Attendance Clerk/School Clerk prior to forty-five (45) days to avoid referral to DFCS.
