MUSCOGEE COUNTY SCHOOL DISTRICT
Columbus, Georgia
October 13, 2020

Dear Parent or Guardian:

Our school district is entitled to apply for funds from the U.S. Department of Education under Title VIII of the Elementary and Secondary Education Act (Impact Aid). These funds are for school districts that serve large numbers of military dependents or other federally connected children. To receive these funds, we need to have a completed Parent-Pupil Survey form on each student so that federal students may be identified.

Please complete the Parent-Pupil Survey form for your child. It is very important that a completed form for every student be returned to school. The information on the form will be kept confidential and is required in order to identify federally connected students. Your cooperation is of vital importance to your child, the other children we serve, and the school district.

The form is divided into several sections, and the information below may assist you in completing the form. **All information provided should be for October 13, 2020. Please print and use ink to complete the form.**

SECTION I: For a form with a pre-printed label, please check to see that all of the information about your child is correct. If there are mistakes, please cross them out and print the correct information above the existing information. If there is no pre-printed label on the form, please print all requested student information in the spaces provided.

If the **child lives on federal property, identify the federal property.**

SECTION II: **A. If either the parent, step-parent, guardian, or adult with whom the child resides was on active duty in the United States military (at Ft. Benning or anywhere else in the world) on October 13, 2020, check Yes, and provide the parent's name, rank, and branch of service. If the parent was active duty reserves on October 13, 2020, also attach a copy of the military orders.** If the parents are divorced, and the child has a military dependent ID card, please provide the information requested for the sponsor.

B. If the child's parent or guardian was an active duty foreign military officer who was also an accredited foreign government official on October 13, 2020, provide the parent's name and rank, and provide the name of the foreign government.

SECTION III: **If the parent, step-parent, guardian, or adult with whom the child resides was employed on federal property anywhere in Georgia on October 13, 2020, check Yes. Also, provide the name of the parent employed on federal property, the name of this parent's employing company and the address of this parent's employment. Then go to the signature line.**

If the child's **parent or guardian is not employed on federal property, check No, and go to the signature line.**

Please sign this form in the signature space provided for the parent or guardian with whom the child resides, date it, provide your home/cell and work phone numbers, and return the form to the school within two (2) days.

We must have a completed form on each student regardless of federal status. Thank you very much for your cooperation in this matter.
