A Note from Mrs. Osborn: Welcome Seniors! Senior year is an exciting year of high school, and I can't wait to get the year started getting to know all of you! My words of encouragement would be to focus on keeping up your grades and don't fall behind. Senior year should be a year to enjoy and not stress over whether you will get to walk at graduation in May. Believe me, graduation will be here before we know it. If you do get in some trouble with your classes, whether it is grades, stress, feeling overwhelmed, please find time to come see me. I can help you come up with solutions to tackle any issue you may have. I am here to help! Again, Welcome and I wish you all a GREAT senior year!

Plan on playing college sports? You must register through the NCAA clearinghouse. Go to www.eligibilitycenter.org to apply. NCAA will accept a fee waiver for students who qualify for Free/Reduced lunch.
