# Senior Parent Meetings

- ▶ **What?** A meeting to review that Senior's graduation requirements and sign off on a graduation plan.
- ▶ **Who?** Meeting includes the Senior Counselor, Senior, and Parent.
- ▶ **When?** Senior Parent Meetings will start August 1, 2018.
- ▶ **Where?** Meetings are held in the Senior Counselor's office.
- ▶ **How Long?** Meetings can last from 15 to 30 minutes.

# Register Online for SAT/ACT

- ▶ All Hardaway students are eligible for SAT/ACT test fee waivers. Submit Fee Waiver requests in the Counseling Office. Juniors and Seniors are eligible for 2 SAT and 2 ACT waivers. This means that you can take up to 4 college entrance exams for free. An approximate savings value of \$200.

SAT

Register online at **[sat.org/register](https://sat.org/register)**

ACT

Register online at **[www.actstudent.org](https://www.actstudent.org)**

**SAT and ACT flyers, with test dates and registration information, are available in the Counseling Office.**

# FREE SAT Test Prep

Link your Khan Academy account with your College Board account for Free, Customize SAT Test Prep.

[www.khanacademy.org](http://www.khanacademy.org)

[www.collegeboard.org](http://www.collegeboard.org)

# Dual Enrollment

- ▶ If you plan to apply to CSU, Columbus Tech, or GMC to take college classes while still in high school, you need to start working on that now!!!

You can earn college credits while still in high school if you meet the following requirements:

- \*have at least a 3.0 Unweighted Academic GPA (core classes only)
- \*be accepted to the college (apply online)
- \*meet SAT, ACT, or ACCUPLACER acceptance requirements for that college
- \*must be able to provide your own transportation to college
- \*meet with Mrs. Osborn or Mrs. Powers to discuss Dual Enrollment options and complete Paperwork (parent/guardian is required to attend)

# HOPE Programs

[www.gafutures.org](http://www.gafutures.org)

Zell Miller – HOPE program pays 100% college tuition

3.7 academic gpa; 4 rigor courses; SAT 1200; ACT 26

HOPE Scholarship – HOPE program pays 80% college tuition

3.0 academic gpa; 4 rigor courses

HOPE Grant – HOPE program pays a portion of tuition for  
Technical schools

No gpa minimum; no rigor course requirement

# HOPE Eligible Rigor Courses

2019 Graduates must have 4 rigor courses for one of the HOPE qualifications.

- ▶ IB Courses
- ▶ Foreign Language Courses to include II and above FL Courses
- ▶ Area of math: Algebra II; Pre-Calculus; Statistics; College Readiness Mathematics
- ▶ Area of Science: Chemistry; Forensic Science; Human Anatomy & Physiology

# Math Options

- ▶ Math of Finance – not counted for a HOPE rigor courses
- ▶ College Readiness Mathematics (Algebra II pre-requisite)
  - ▶ Extension of Algebra II; emphasizes numeracy, algebra and functions, geometry, and statistics in a variety of contexts; intended for non-math majors
- ▶ Statistical Reasoning (Algebra II pre-requisite)
  - ▶ Offering students opportunities to strengthen their understanding of the statistical method of inquiry and statistical simulations; Need a stronger verbal background.
- ▶ Pre-Calculus (Algebra II pre-requisite)
  - ▶ Designed to prepare students for calculus and other college level mathematics courses; Must have at least an 85 in Algebra II

# Science Options

- ▶ Zoology
  - ▶ The study of all things dealing with animals; includes animal anatomy, physiology, development, histology, ecology, behavior, and evolution.
- ▶ Human Physiology
  - ▶ integrates the study of the structures and functions of the human body, however rather than focusing on distinct anatomical and physiological systems (respiratory, nervous, etc.) instruction should focus on the essential requirements for life; pairs well with Healthcare Science.
- ▶ Forensics
  - ▶ Designed to build upon science concepts and to apply science to the investigation of crime scenes; Chemistry and Physics concepts involved; should have a good math background.
- ▶ Chemistry
  - ▶ Extension of Physical Science; includes more abstract concepts such as the structure of atoms, structure and properties of matter, and the conservation and interaction of energy and matter; Should have a strong math background.

# Work Based Learning (WBL)

Mrs. M. Cooper

**WBL IS A COURSE!**

1 Period = 1 Credit  
2 Periods = 2 Credits

- ▶ WBL is a selective program... **NOT** an elective.
- ▶ Must have good attendance record AND good discipline record.
- ▶ To qualify for a WBL placement, a student must be a rising senior and have a minimum of 2.0 GPA.
- ▶ Students must also have a **defined Career Pathway** in order to participate in a Work-Based Learning placement.
- ▶ Job placement should be directly related to the curriculum of the pathway classes completed or concurrently enrolled.
- ▶ **Must have completed at least two courses within career pathway.**
