

**Rising 11th Grade
Pre-Registration**

It's about to get real

General Reminders

Diploma Programme

- 6 Diploma Courses (one from each “group”)
- 3 SL, 3 HL
- TOK, CAS, EE

Career Programme

- 2-4 Diploma Courses
- Complete Career Path
- No SL/HL requirement
- PPS, CAS, RP, LDP

IF YOU FAIL A COURSE IN ANY SUBJECT, YOU ARE NO LONGER ELIGIBLE TO CONTINUE TAKING HHSPIB OR IB COURSES IN THAT SUBJECT.*

What does this mean for DP students?

What does it mean for CP students?

***The only exception to this is if you do not pass HHSPIB Chemistry but already have credit for Physical Science and Environmental.**

IB English Course Sequence

9th – HHSPIB 9th Grade Lit.

10th – HHSPIB American Lit.

11th – IB English A: Literature Year 1 (HL)

12th – IB English A: Literature Year 2 (HL)

IB Language B Course Sequence

- 9th – HHSPIB Spanish, French, or Latin 1 OR Spanish 2*
- 10th – HHSPIB Spanish, French, or Latin 2 OR Spanish 3*
- 11th – HHSPIB Spanish, French, or Latin 3 OR IB Spanish Year 1 (SL)*
- 12th – IB Spanish Year 1 (SL)** , IB French Year 1 (SL)** , or IB Latin Year 1 (SL) OR IB Spanish Year 2 (HL)

*Only available if you received HS credit for Spanish 1 in MS

**If you did not begin Spanish or French until 10th grade, you can still complete an “entry level” Spanish or French IB course sequence by 12th grade – ab inicio (SL)

IBDP students MUST take an exam for a Language B course

IB Social Studies Course Sequence

9th – HHSPIB Civics/HHSPIB Econ.*

10th – HHSPIB US History

11th – HHSPIB World History

12th – IB 20th Century World History (SL)** *OR*

IB History of the Americas (HL)** *AND/OR*

IB World Religions (SL)

*If you began the IB social studies track in 9th grade and to not wish to complete it, please know that you will have to retake an entire year of Economics to meet graduation requirements.

**The Historical Investigation from Mr. Schrage's class will carry over into 20th Century. or History of the Americas, but you will have to write a new paper if you take World Religions.

IB Science Course Sequence

9th – HHSPIB Phys. Sci. OR HHSPIB Environmental*

10th – HHSPIB Environmental OR HHSPIB Chemistry

11th – IB Biology Year 1 (SL/HL)

12th – IB Biology Year 2 (SL/HL) and/or
IB Environmental Systems and Societies (SL)

*Only if you had Pre-AP Physical Science in 8th grade.

IB Mathematics Course Sequence

Non-accelerated

- 9th – HHSPIB Algebra I
- 10th – HHSPIB Geometry
- 11th – HHSPIB Algebra II
- 12th – IB Math Studies
Year 1 (SL)

Accelerated

- 9th – HHSPIB Accel.
Algebra/Geometry
- 10th – HHSPIB Accel.
Geometry/Alg. II
- 11th – IB Mathematics
Year 1 (SL/HL*)
- 12th – IB Mathematics
Year 1 (SL/HL*)

*Students interested in IB Mathematics HL must be recommended for the course by the IB Mathematics teacher at the end of 11th grade. IB Mathematics HL is not recommended for any student who is not prepared for independent study work.

IB Elective Course Sequence - Music

9th – Performance class (band, chorus, orchestra, etc.)

10th – HHSPIB Music Theory + Performance Class

11th – IB Music Year 1 (SL/HL) + Performance Class*

12th – IB Music Year 2 (SL/HL) + Performance Class*

*IB Music and performance class will alternate during the same class period.

IB Elective Course Sequence – Theatre & Visual Arts

Theatre

9th – HHSPIB Drama 1

10th – Theatre 2 OR
HHSPIB Drama 1

11th – IB Theatre Year 1
(SL/HL)

12th – IB Theatre Year 2
(SL/HL)

Visual Arts

9th – HHSPIB Art 1

10th – Art 2 OR
HHSPIB Art 1

11th – IB Visual Arts
Year 1 (SL/HL)

12th – IB Visual Arts
Year 2 (SL/HL)

Other Possible IB Electives

- 3-4 years of a second IB World Language (if you have already begun both languages)
- 2nd IB Experimental Science (during senior year only)*
- 2nd IB Social Studies (during senior year only)

*if available

IBDP Students **MUST** have an IB Elective

The IB Core

IB Diploma

- TOK
- CAS
- EE

IB Career

- PPS
- CAS
- RP
- LD

**If you say you're going to do it, then do it.
Follow through with commitments is crucially important in life.**

Graduation Requirements

- 9th Grade Lit., American Lit, + 2 more literature courses
- Government(1/2 credit), US History, World History, Economics
- Physical Science; Biology; Chemistry, Earth Science, Environmental Science, or AP/IB science; + 1 more science credit
- Algebra I, Geometry, Algebra II, + 1 more math course
- Health & Personal Fitness
- 3 credits of CTAE, World Language, &/or Fine Arts (you must have two credits in the same world language to attend a 4 year university)
- 4 elective credits
- It is also suggested that you complete some pathway whether career, advanced academic, world language, or fine arts

Move on When Ready

- IB and MOWR/Dual Enrollment do NOT mix...
- You cannot complete the IB program requirements and Dual Enroll UNLESS it is designed as a part of completing your career pathway.
- While “free college” is very tempting, that is not the whole story
 - Selective University Admissions
 - Preparation for College demands
 - Self-Development
