DISCIPLINE POLICY

The goal of the discipline plan at Hardaway High School is to provide a structured climate which is safe, orderly and enables students to learn at an optimum level. The discipline plan is designed to provide all students the opportunity to develop positive self-control, successful interpersonal skills, self-direction, self-understanding, and self-worth. The plan will be communicated and consistently enforced. Conduct that is counterproductive to an individual's learning or self-development; that is detrimental or unsafe to persons or property or that violates laws, policies, or commonly accepted standards will not be tolerated.

All students are expected to comply with the school regulations outlined herein and to respect the authority of the school staff. The discipline policy is effective during the following times and in the following places:

- ✓ at school or on school property at any time
- ✓ off school grounds at any school (district) activity, function or event and while traveling to and from
- ✓ on any MCSD property
- ✓ on vehicles provided for student transportation

When a student behaves in an undisciplined fashion in any of the instances listed above, it becomes the duty of the school to discipline the student. All staff members are expected to enforce school and district policies in a firm, fair, consistent, and timely manner.

STUDENT BEHAVIOR

1.0 STANDARDS FOR STUDENT BEHAVIOR

In order to maintain a school climate in which all students can learn, it is vital that students assume responsibility for their behavior. To aid students in making appropriate decisions governing their behavior, the following code of conduct identifying standards and expectations has been developed based on the policies of the Muscogee County School District and the Georgia Department of Education.

While the standards are not intended to be exclusive, they illustrate the types of behavior which are appropriate and are necessary in a wholesome school climate. These expectations shall apply to all students.

1.1 STUDENT BEHAVIOR DURING SCHOOL HOURS

Students' behavior is expected to be acceptable during the day. The school will take action on any school rule violation that takes place on the way to or from school and any school sponsored events. If the school can anticipate a problem on or off campus, the school may take action. If a student makes a threat on campus and follows through off campus, the school may take action. If a threat or illegal activity occurs off campus and is reported to the school, the school may investigate. The police will be informed.

1.2 STUDENT BEHAVIOR TOWARDS OTHERS

Each student is obligated to respect the rights of others and to promote and safeguard an atmosphere where all learning and enrichment activities can take place without fear of disruption.

1.3 STUDENT COMPLAINT PROCEDURE

Students should, **at all times**, follow the direction and/or instructions given by staff. If a student disagrees with the directive of a staff member(s), he/she should follow the directive and then request to speak with the staff member when it does not infringe upon the class time and instruction of others. **It is never OK to walk out of class.** If the student does not feel that the issue has been resolved with the staff member an appointment can be made with the counselor or administrator. Every effort should be made to resolve the concern at the earliest possible time. Students who have concerns about particular classes and/or teachers are encouraged to articulate their concerns with the teacher first. If the outcome is unsatisfactory, the student may request a meeting with the teacher and his/her parents. Parents are asked to contact the teacher directly before involving administration or counselor. If further resolution is needed, parents may call their student's counselor to set up a meeting.

Students interested in attending college should take either the SAT or ACT. Counselors will assist students with information regarding the registration process. The websites to register are:

SAT: www.collegeboard.org ACT: www.actstudent.org

College-bound juniors are advised to take either the SAT or ACT at least once before the end of their junior year. Seniors are encouraged to retake the test in the fall to improve their score and colleges will accept the highest score made on multiple tests.

When registering to take either of these tests, Hardaway's high school code is **110828**. Students should request that score reports be sent directly to prospective colleges **at the time of registration**.

School Nutrition Program (SNP)

Mission Statement of the Muscogee County School Nutrition Program is to provide a nutrition program that will maintain and improve the health of school children and the educational community and encourage the development of sound nutritional habits that will foster academic success.

USDA has regulations that the School Nutrition Program (SNP) has to meet to be in compliance with their guidelines. Caloric and nutrient requirements are based on age and grade. Also, MCSD Board Approved Wellness Program (EEE and EE-R) encourages and promotes healthy guidelines to be followed including, but not limited to, elimination of the consumption of fried foods, foods containing > 35 % sugar by weight, and FDA standards for portion sizes. School lunches also offer a variety of foods, whole grains, and fat free and low fat milk choices. Muscogee County School District shall abide by nutrient standards of the School Nutrition Program for all foods sold and served on campus during the school day. The sale of foods or beverages to students on school premises other than through SNP is prohibited from 12:01 a.m. until 30 minutes after the end of the school day. Food shall not be used as a reward or punishment and shall prohibit the use of candy and other food rewards for academic performance or good behavior. **Fundraising efforts** shall be supportive of healthy eating, encouraging the sale of non-food items or nutrient dense foods. USDA regulations ban the sale of foods of minimal nutritional value.

School Nutrition Program provides a healthy breakfast and lunch choice for students every day. Students may bring their own lunches from home. **Restaurant containers are not allowed in the cafeteria.** Parents are encouraged to have lunch with their children. School lunch may be purchased to eat in the cafeteria with the students.

School meals are captured using palm scanners for identification, capturing only the image of the veins in their hand. If the parent opts out on their children being scanned, the meal will be rung up under the name.

Community Eligibility Provision (CEP)

The Community Eligibility Provision (CEP) was established by Congress through the Healthy, Hunger-Free Kids Act of 2010, which reauthorized the Child Nutrition Programs. CEP aims to increase access to the School Meal Programs by offering breakfast and lunch at no charge to all students, without the need to process or collect individual free and reduced meal applications. Several of our schools are CEP schools. **Please contact your student's school office or call the School Nutrition Office at (706) 748-2389 to see if your student's school is a CEP school.**

Free and Reduced Meal Priced Meal Applications

If your student is *not* enrolled in a CEP school, a new application has to be completed and approved every school year before your child can qualify for free or reduced meals. We must receive an original since these applications are scanned. We cannot accept a faxed or copied application. **ONLY ONE** application needs to be completed for your entire household. If someone receives SNAP (Supplemental Nutrition Assistance Program) OR TANF, you must include the current CASE number on the application (NOT the EBT or food stamp card number) and indicate whether the program is SNAP or TANF. We receive thousands of applications every year. Completed applications are processed within 10 days. A letter will be sent home from school with your child stating if you have been approved or denied. Applications **CANNOT** be approved if they are not completely filled out so please **COMPLETE ALL REQUIRED FIELDS** on the application. *Until your application is approved, please provide your child(ren) with money to purchase meals. (Continued on next page)*

If you have an approved MCSD 2017-2018 application on file, then benefits will be extended for the first 30 days of the 2018-2019 school year. After that, your child's status will change to PAID and they will be charged for meals until a new application is approved. If your application has been denied or is incomplete, please call our office if you have any questions: 706-748-2389. Applications can be submitted at any time throughout the year, especially if your income goes down, you lose your job, your family qualifies for SNAP or TANF benefits, or there is a change in your family size. ***For quicker processing of meal benefit applications, the Family Meal Application is available online at <https://www.MySchoolApps.com/>. If you prefer, you may complete a paper application at your child's school or at the School Nutrition Office located at the Muscogee County Public Education Center, 2960 Macon Road.***

Paying for School Lunch

Muscogee County SNP no longer accepts personal checks as payment for meals in our cafeterias. Payments may be made by cash, money order, cashier's check, traveler's check, or on-line via **our online payment system, My School Bucks**, using your credit or debit card.

Pre-pay for your child's school breakfast, lunch and a la carte food items. On-line payments include a transaction fee per school site. You must know your child's birthdate and/or PersonID Number from Infinite Campus (available at the school office). Allow 24 hours for payments to be posted to your child's account. From the Muscogee County School District web site, on the home page, click on the Families tab, then click on the **My School Bucks** link to access our online payment system.

Special Dietary Needs Prescription Form **must be** completed and signed by a physician for a student with a disability before the school cafeteria can provide any modifications or substitutions. The completed form must be provided to the school cafeteria Manager, the clinic worker, and the special needs dietitian. A form and instructions can be found on the School Nutrition page of the MCSD web site, or at the school clinic or cafeteria. Nutrition analysis chart for menu items is available on the website.

Please be aware that there are factors that may affect a product's actual nutritional value and/or ingredient composition at any given time: Manufacturers' formulations may change without notice. USDA donated products may become available at any time during the year and may replace a purchased item. Product brands may change during the year as new bids are approved. Schools may be using inventory from a previous bid or manufacturer. Our recipes may change during the school year. A la carte snack items vary from school to school so check with the Nutrition Manager at your student's school for specific information.

Summer Lunch

SNP provides breakfast and lunch at various schools throughout the district during the summer. Please check the web site or call 706-748-2386 for locations. All children up to 18 years of age receive a free meal. Adults may purchase a lunch.

This institution is an equal opportunity provider.

Muscogee County School District Health Services Program

Dear Parent/Guardian:

We would like to take this opportunity to share information about the Muscogee County School District Health Services Program, which consists of a Lead Nurse, 10 Registered Nurses and 58 Clinic Aides. Each Registered Nurse visits a cluster of schools on a weekly basis. The Clinic Aides are permanently assigned to a specific school on a daily basis (part-time) to assist students with their health care needs.

As the school staff works with you this year, we need your assistance and cooperation in preparing for the possibility that your child might need the assistance of the school's health worker. If your child needs medications and/or supplies for treatments, please make these items available for use at school. Listed below is important information regarding common health care needs of the students.

MEDICATION

Medication time schedules should be set so that, when possible, medicine is taken at home rather than at school. However, if medication must be taken at school, the following procedures apply.

Children who require medication to be administered at school must have a Medication Administration/Medical Authorization and Release Form filled out, signed and returned to school with the medication. A parent/guardian should take the medication and the authorization form directly to the school office/clinic. Prescription medication must be in original labeled container as required by law. Dosage on label must agree with information on the medication administration authorization form. Non-prescription medication must also remain in original container properly labeled with the child's name and specific instructions regarding dosage and time of administration. Students may carry specific medications on their person such as, inhalers, insulin and/or auto-injectable epinephrine (this requires a special permission form). If your child needs emergency medications please contact the school **immediately** so that accommodations can be made.

IMMUNIZATIONS

The State of Georgia requires all students have up to date immunizations. During the school year we will be reviewing the immunization records and if they are found to be deficient, the parent will be notified in writing and will have 30 days to obtain updated immunizations. Failure to comply with Georgia Law may result in the student being excluded from school until proof of proper immunization is supplied to the school.

HEAD LICE

As of April 2001 Muscogee County School District adopted a **NO NIT** head lice policy. When head lice is discovered, the principal or his/her designee will immediately notify the parent/guardian and make arrangements for the student to be picked up and treatment initiated. Upon return, the parent/guardian must accompany the student to school and provide proof of treatment, i.e. empty bottle or box of lice treatment product or a letter from the health department or physician. The principal or designee will inspect the student's head for the presence of nits or active lice. The child **will not be** readmitted if either one is present.

OTHER

Sick students must not be sent to school. For example, if your child has a fever, he/she may or may not be contagious and it is better to keep the child home until they are fever free for 24 hours. If your child has a temperature 100.4 or higher, he/she will be excluded from school. When a student becomes ill at school arrangements must be made to pick the student up and take them home. Exclusion may also apply to other conditions that may be contagious and must be evaluated by a physician.

Please make sure you complete the health information portion of your child's registration form (elementary school) or the health information card (middle and high school). This information is important and assists us in identifying any health condition or need that could require medical assistance during the school day. If your child has a condition that requires medical attention and/or emergency management **NOTIFY THE PRINCIPAL and CLINIC AIDE** at your child's school.

We are looking forward to serving you and your child this year. Please feel free to contact your school's Clinic Aide or Registered Nurse for any assistance with your child's health care needs. We wish you and your family a happy and healthy school year.

Sincerely,

Darlene Shirley RN, Lead Nurse
