

NEW PORTAL – Campus Student & Campus Parent

Dear MCSD Parents & Students:

Effective **July 1, 2019** – our Infinite Campus system will have different portals for students and parents. *Campus Student & Campus Parent are replacing Campus Portal.*

Additionally, there are new apps for each (Campus Student / Campus Parent). The old mobile app named Campus Portal will be removed from the app stores by **June 30, 2019**. All mobile device users will need to download the new app: Campus Student or Campus Parent.

Get your App Today, and be ready for the 2019-2020 school year!

When you go to your App Store, search for "**Campus Student**" or "**Campus Parent**". Infinite Campus Student & Campus Parent apps are available (free) for iPhone and Android.

After downloading and launching either the Student or Parent app:

- * Enter the District name (Muscogee County School), select state GA, click on Search
- * Choose Muscogee County School to access our district's system.
- * Enter your username and password to log in to the system.

Don't yet have a Parent portal account?

If you have not yet established a portal login, please contact your child's school to receive a portal Activation Key.
