What do students need to do to participate in dual enrollment opportunities?

___ Schedule an individual meeting with Heather Osborn for you and your parent by May 15th

Osborn.heather@muscogee.k12.ga.us

___ Go to www.gafutures.org to complete a transcript request and submit the student and parent dual enrollment electronic application

___ Apply to the college you are interested in attending

___ ~~Take the SAT/ACT/COMPASS (if you have not done so)~~

___ ~~Send official test scores from the testing service to the college~~

COVID update for Fall 2020 Applications:

Colleges are allowing flexibility with the test requirements for ACT/SAT/Accuplacer during this time.

Benefits of Dual Enrollment:

- ◆ Earn high school credit and college credit with one course
- ◆ Get a jump-start on college (students take college courses taught by college professors on the college campus)
- ◆ Students may be full-time dual enrollment (all classes at the college) or part-time dual enrollment (some classes at the college and some at HHS)
- ◆ Students can participate in fall, spring, and summer semesters (not eligible for summer after graduation)

Things to Consider:

- ◆ Are you prepared for college level work? Are you mature enough for college classes? You are not identified as a high school student.
- ◆ College grades will count in your high school GPA and remain part of your permanent college transcript.
- ◆ State funding will only pay for 30 semester/45 quarter hours of college credits
- ◆ Failing a college course could affect your HS graduation.
- ◆ Students must provide their own transportation.

Approved dual enrollment courses are found at www.gafutures.org
