Parent and Family Engagement Policy 2019-2021

Plan Revision Date: 8/19/20

What is it?

The Parent and Family Engagement Policy describes how Davis Elementary will provide opportunities to improve parent engagement to support student learning. Davis Elementary values the contributions and involvement of parents in order to establish partnership for the common goal of improving student achievement. The Parent and Family Engagement Policy describes the different ways the school will support parent engagement and how parents can be involved.

How is it developed?

Davis Elementary welcomes parent input and comments at any time regarding the Parent and Family Engagement Policy. All parent feedback will be used to revise the plan for next year. The Parent and Family Engagement Policy is available for parents to view and provide feedback throughout the year. Davis Elementary also distributes a Title I Annual Survey to ask parents for suggestions on the Parent and Family Engagement Policy and the use of funds for parent involvement.

Who is it for?

All parents at Davis Elementary are encouraged and invited to fully participate in the opportunities described in the Parent and Family Engagement Policy. Davis Elementary will provide full opportunities for the participation of parents with limited English, parents with disabilities, and parents of migratory children.

Where is it available?

The Parent and Family Engagement Policy will be sent home with each student and is also available in the Parent Resource Room, the front office of the school and on the school's website.

For all students who reside in residential facilities served by the Muscogee County School District, Parent and Family Engagement correspondence and activities information will be mailed to each facility where students reside.

What is a School-Parent Compact?

As part of the Parent and Family Engagement Policy, Davis Elementary and our families will develop a Home-School Compact. A Home-School Compact is an agreement that parents, students, and teachers develop together. It explains how parents, students and teachers will work toward mastery of grade-level standards. The compact will be reviewed and updated annually based on feedback from parents, students, and teachers. The Home-School Compacts are kept in the Parent Resource Room. A copy may also be requested from the school office or from your child's teacher.
