

# Box Tops Madness

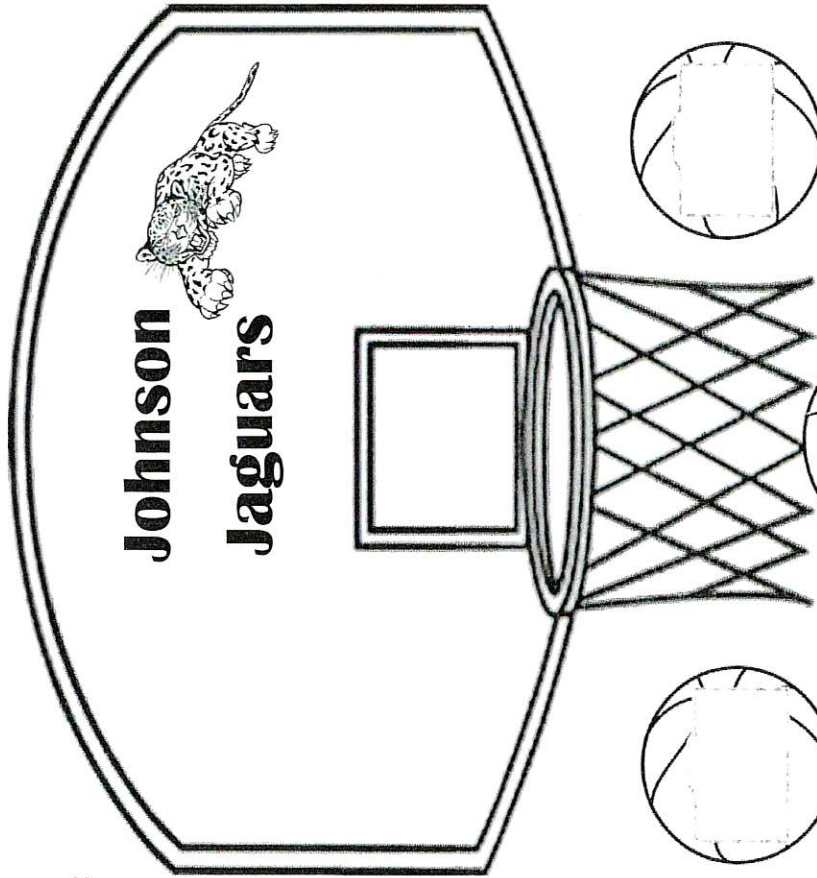

March 3, 2017

Teachers, Parents, and Friends,

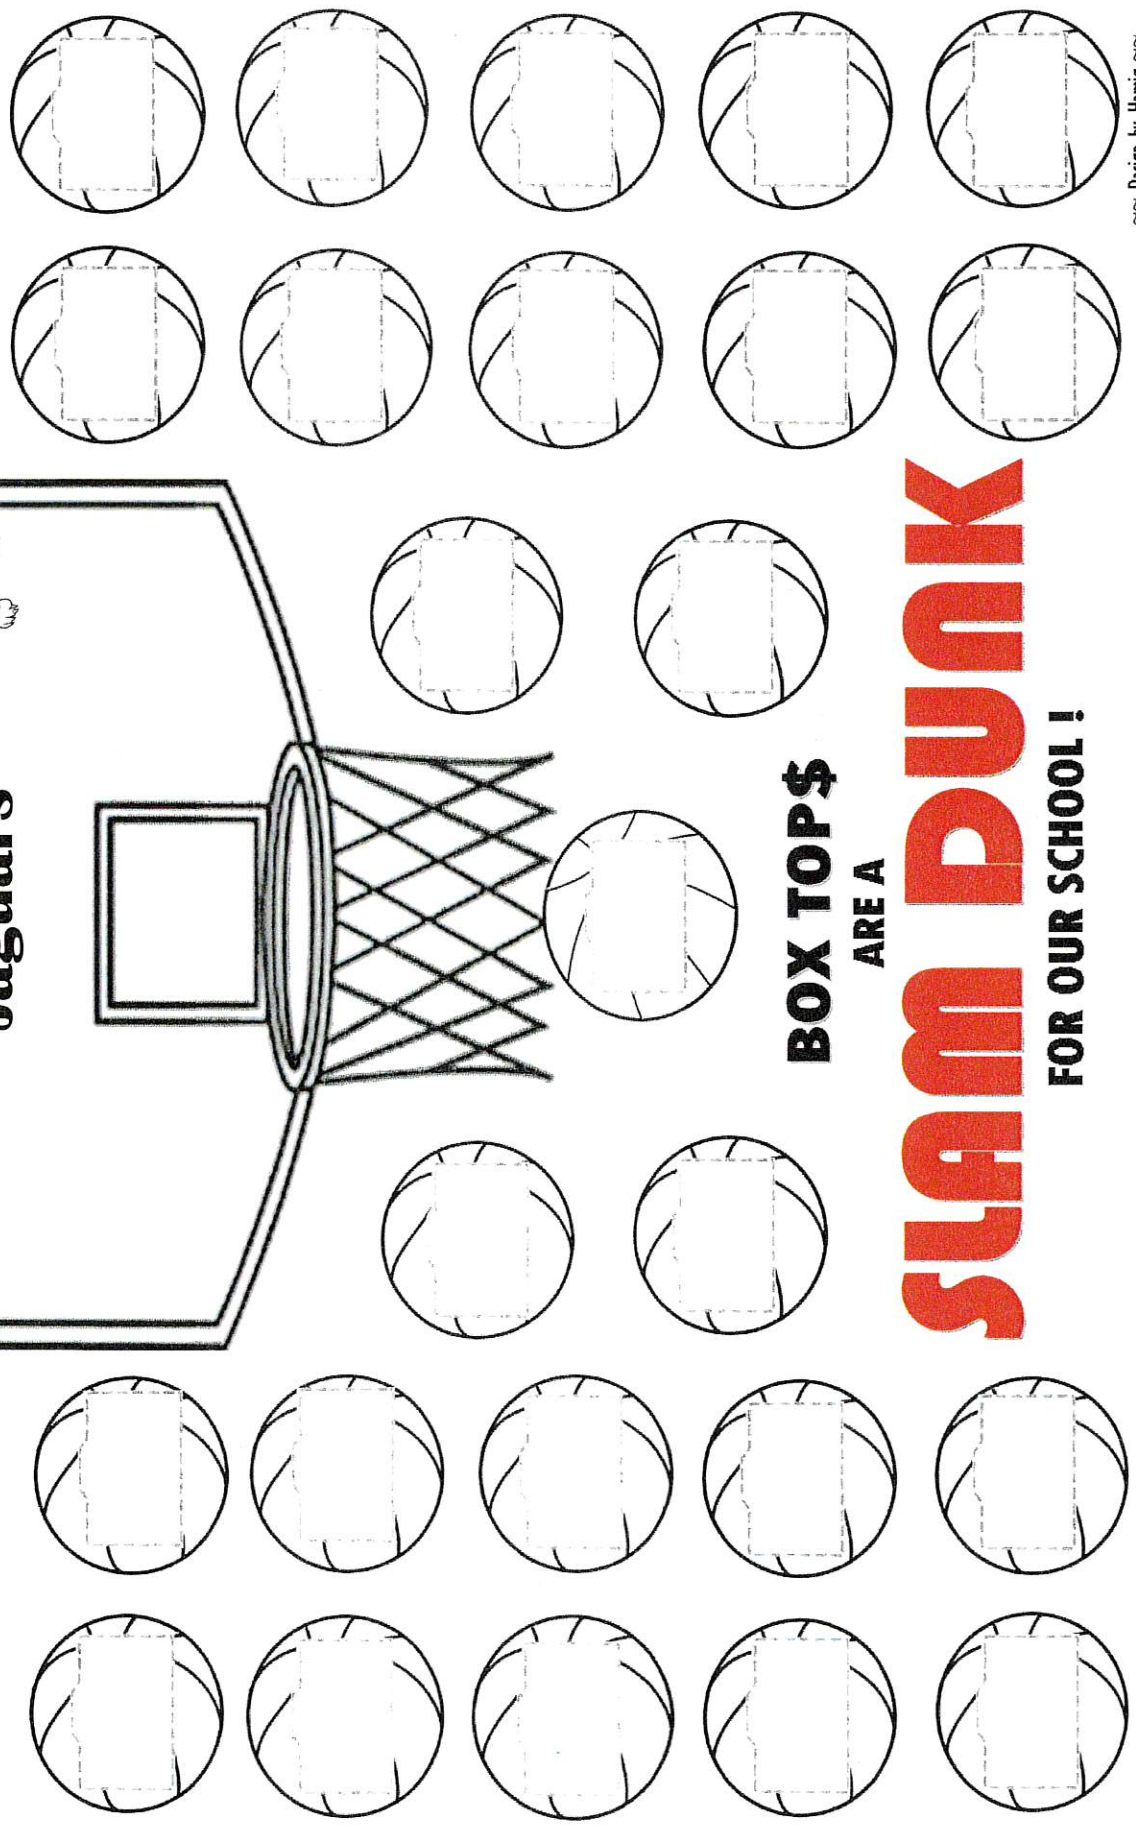

Johnson Elementary School is having a "Box Tops Madness" push. We have not met our goal for collecting box tops. We need to bring in as many Box Tops as possible for the next two weeks. Push Box Tops! Please help by talking about Box Tops with your students and give out the collection sheets. I will need to have the sheets turned in on by the last day of school before spring break. The collection sheets can be put in my box or beside the teacher mailboxes. Please make sure the teachers name is on the collection sheet. Also, please make sure they have not expired.

Thanks,  
Box Top coordinator
