**Goals & Actions
2016 - 2017**

**Johnson Elementary
School**

Johnson Academic Goal

All kindergarten-fifth grade students will increase test scores in writing.

- Writing is a school-wide focus this year
- We want all Kindergarteners through Fifth Graders writing each and every day
- Please encourage your child to keep a journal or diary to write daily at home
- You will begin seeing more keyboarding (try typing at home or at the local library)
- We are committed to moving our students out of the 'Remediate Learning' category. We know everyone can be successful in writing!

Johnson Climate Goal

Our goal is for all students to attend school daily. Students miss a great deal of instruction when absent from the classroom. Please try to be at school each and every day!

- Please arrive by 8:00. Students are tardy from school beginning at 8:00 a.m.
- Please be on time so your child can eat breakfast if needed. Breakfast is served from 7:15-7:50
- If you know your child will miss more than two days in a row, please let the teacher know.
