

What is a School-Parent Compact?

A School-Parent Compact for Achievement is an agreement that parents, students, and teachers develop together. It explains how parents and teachers will work together to make sure all our students reach grade-level standards.

Effective School-Parent Compacts:

- Link the goals of the school improvement plan.
- Share strategies that staff, parents, and students can use.
- Explain how teachers and parents can communicate about student progress.
- Describe opportunities for parents to volunteer and participate in.

How is the School-Parent Compact Developed?

The parents, students, and staff worked together and shared ideas to develop the School-Parent compact. Meetings are held each year to review and revise the compact based on the school's academic achievement goals and student's needs. For all students who reside in residential facilities served by the Muscogee County School District, Parent and Family Engagement correspondence and activities will be mailed to each facility where students reside.

Parents are welcome to contribute comments/suggestions at any time.

If you would like to volunteer your time or talents please contact Tammy Caldwell, Family Services Coordinator at (706)748-2795.

- Engage students in active learning and monitor student progress to ensure students are understanding their behavior in social and emotion skills.

As parents, we will.....

- Communicate with my child's teacher regarding any questions or concerns about my child's academic and behavior performance.
- Make sure my child is at school every day and arrives on time prepared to have a productive day.
- Promote good behavior and respect school rules.

As students, we will.....

- Ask questions if we don't understand our class room or homework assignments.
- Show respect for myself, peers, teacher, and my school.
- Take responsibility my actions and behavior.
- Learning my student handbook.
