

Summer Math Camps

Presented by the

Columbus Regional Mathematics Collaborative

June 26-30, 2017

St. Luke School

318 11th Street, Columbus, GA

Students will learn math outside the box using interactive, hands-on activities. Math is everywhere – art, science, music, technology, games, puzzles, architecture, sports ... it's everywhere!

MATH-Tagious Camp (for Elementary Students, rising grades 3-5)
9:00 a.m.-12:00 noon / \$75

PRIME Camp (for Girls Only, rising grades 6-8)
8:30 a.m.-3:30 p.m. / \$139
Campers should bring a sack lunch.

POWER Camp (for Boys Only, rising grades 6-8)
8:30 a.m.-3:30 p.m. / \$139
Campers should bring a sack lunch.

**The Math Collaborative has some monies available, for those who qualify,
to offer students a partial scholarship.**
