Georgia Parent Survey

We are asking all parents and guardians to complete the Georgia Parent Survey. This survey will be used to calculate our School's Climate Star Rating within the College and Career Ready Performance Index (CCRPI). Parents and guardians can complete the survey at home or at Jordan Vocational High School. You can access the survey on our school website at sites.muscogee.k12.ga.us/Jordan/. Just select the Parent link. The Georgia Parent Survey has 24 questions and it should take no more than 10 minutes to complete it. Survey responses are anonymous.

After you click on the link, two drop-down menus will appear and you will select Muscogee County School System and select Jordan Vocational High School.

We would like for our parents and guardians to complete this survey by Thursday, March 30, 2017

JVHS IS IMPROVING!

THERE ARE GREAT THINGS HAPPENING AT JVHS. OUR CCRPI SCORE IMPROVED AGAIN THIS YEAR BY 1.3% FROM 75.4 TO 76.4. WE ARE ABOVE THE STATE AVERAGE AND RIGHT AT THE MCSD AVERAGE!
