We are off to a great school year and I look forward to meeting and assisting each of you in your child's educational future. - Mr. White

Welcome from Assistant Principal, Jane Anthony

Welcome to Jordan High School for the 2015-2016 academic year. We are happy to have your child with us and look forward to working with you and your child to ensure a successful year. - Mrs. Anthony

Welcome from Assistant Principal, Michael Davis

Welcome Back! JVHS has a rich history, and a reputation for being a warm, inviting school for our students and parents. High School is an exciting time for students as they go through the transition from middle school to high school. This upcoming year will present students with changes and challenges, and you will find many valuable programs and support systems in place to assist our students through the process.

A critical component to success at JVHS is a feeling of belonging. Participation in after-school activities is another way for students to feel connected. In addition, providing a safe climate in which everyone feels comfortable allows us to focus on the highest quality instruction in every classroom.

Building and maintaining strong, positive communication among students, staff and parents will be one of our many efforts. Again, welcome to Jordan Vocational High School. I look forward to us working together in the months and years to come. - Mr. Davis.
