Parents/Guardians:

Welcome to the 2016-17 school year; we are excited about the many opportunities the new school year will bring. It is our goal to empower student to achieve academic success, as well as provide opportunities to grow socially and emotionally in a safe learning environment. We are dedicated to fulfilling the Jordan High School mission of graduating students of honorable character, contributors to society, effective communicators, and life-long learners.

In order to maximize learning time, as well as the safety of your child, we will be implementing the policies and procedures, as outlined below:

- Camouflage clothing or paraphernalia of any kind will not be allowed on campus unless it is part of the uniform for an official school sponsored activity such as JROTC.
- Students are not allowed to bring book bags to school. (String bags are permissible.) Students will be issued a locker, free of charge, to keep their books and supplies in during the day. Students who have athletic gear, must make arrangements with their coach to store those items in a gym locker.
- Cell phones are not to be used on campus. During classroom instructional time, students are permitted to use personal electronic communication devices only as requested /required by an instructor, and only for academic purposes.
- No personal earbuds/headphones are to be used on campus. If headphones are required, teachers will provide them.
- Per MCSD policy, students may not be checked out during the last thirty (30) minutes of the school day.

We are looking forward to a great year. If you have any questions, please feel free to contact the school or come by for a visit.

-Sincerely, Ms. Wohler

**Ronald Taylor
Assistant Principal**

Hello and welcome back to Jordan High School. It is my honor to be a part of this administrative team for the 2016-2017 school year! I look forward to supporting the efforts of the faculty and staff, and working with the students, parents, and community to provide an educational experience that is engaging, challenging and designed to meet the needs of each student member.

My name is Ronald L. Taylor, Sr., Assistant Principal, the office of Discipline and Student Services. I come to you with a background rooted in servant leadership, transformational leadership, and a commitment to public school education. I am a former principal that has served in both middle and high school for over two decades in New Orleans Parish School System and Fulton County System. In 2012, I was hired as the academic leader for both single gender girls and boys high schools in Dubai and Abu Dhabi, United Arab Emirates. After my return in 2014, I worked as principal for Corrections Corporation of America in Mississippi before relocating to this area.

I bring to Jordan High School a passion and a desire to see that all students receive a strong education, one that is free of fear and daily disruptions.

I welcome and encourage you to reach out to me if you have any questions or concerns as it pertains to your student.

-Regards, Mr. Taylor

**Jane Anthony
Assistant Principal**

Welcome to Jordan High School for the 2016-2017 academic year. We are happy to have your child with us and look forward to working with you and your child to ensure a successful year.

—Sincerely, Mrs. Anthony

Both tests require that you upload a photo. An acceptable photo of yourself is one that closely resembles the photo on your ID and your own personal appearance on test day.

See your School Counselor to discuss which test is best for you and to obtain a fee waiver.

Students are allowed only 2 fee waivers per test during their Junior and/or Senior year in high school.

It is recommended that Juniors take their first administration of either the SAT or ACT during the Spring semester. Your counselor will make a recommendation during your scheduled Individual Junior Conference.

Jana Rudd
Guidance Director

Each grade level counselor is required to conduct interviews with each student at least two times per year. The first interview will be held between September and October. The second one will be held between February and March. During these interviews, counselors meet with students to discuss current academic progress, behavior and attendance concerns, and graduation requirements. -Thanks, Mrs. Rudd
