Communication

I know we are in a world of speed and technology so I am trying to reach every parent in various ways. Each month you **should** receive an email from me through your email address that's listed in Infinite Campus. Additionally, I have created an account in Edmodo. Hopefully, you have received the instructions for setting up your Edmodo account.

KHS Edmodo Webpage: <http://sites.muscogee.k12.ga.us/kendrick/wp-content/uploads/sites/33/2017/09/Edmodo-Instructions.pdf>

Also communication is done through the use of the Kendrick's website at <http://sites.muscogee.k12.ga.us/kendrick/parent-information/>. Finally, as I stated earlier, my goal is it communicate with all parents, I will still mail letters home as well. If you have not heard or seen any communication from me please email at:
