
What is a School - Parent Compact?

A School - Parent Compact for Achievement is an agreement that parents, students and teachers develop together. It explains how parents and teachers will work together to make sure all our students reach grade-level standards.

How is the School - Parent Compact Developed?

The parents, students, and staff at Kendrick High School (KHS) developed this School - Parent Compact for Achievement. Teachers suggested home learning strategies, parents added ideas to make them more specific, and students told us what would help them learn. Meetings are held twice a year to review the Compact and make changes based on student needs.

Parents are welcome to contribute comments at any time during the school year.

Effective School - Parent Compacts:

- Link to goals of the School Improvement Plan
- Focus on student learning skills
- Describe how teachers will help students develop those skills using high-quality instruction
- Share strategies parents can use at home
- Explain how teachers and parents will communicate about student progress
- Describe opportunities for parents to volunteer and participate in the school

Communication About Student Learning

KHS is committed to multiple ways of communication with families about their children's learning. Some of the ways you can expect us to reach you are:

- Updates on the school's website
- Current assignments, grades, attendance and behavior notification on the Parent Portal, Infinite Campus, and Canvas
- Parent-teacher conferences as needed
- Parents are invited to attend monthly parent informational series and family engagement activities sponsored at the school
- Parents are invited to volunteer, participate and observe at the school and in their child's classroom
- Parents are invited to visit the Family Resource Room 104 to check-out materials to use with their child at home

Kendrick High School

School - Parent Compact for Student Achievement

Revision Date: August 14, 2018

Muscogee County School District Goal

The Muscogee County School District will create an environment that focuses on Tier 1 instruction while targeting individual student needs, leadership development, and customer service.

Kendrick High School's SMART GOALS

- By May 2019, 100% of teachers will have trained their students on how to utilize their SMART goals with 80% implementing strategies to teach students to engage in effective dialogue that reveals active monitoring of their own progress.
- By May 2019, 100% of the staff will be trained with 80% effectively using established the PBIS classroom rules/routines to improve daily attendance and student achievement.

Our Pledge:

Students:

Students are encouraged to participate in the educational process. A successful student takes ownership of his/her learning and sets high educational goals.

- Share their SMART goals with each other and with adults by implementing the strategies taught to them by their teachers.
- Set goal to utilize the PBIS classroom rules/routines to improve my daily attendance and my academic achievement.

Parents

Parents are expected to participate in the education of their children. Without the cooperation and partnership between parents and school staff, we cannot effectively help a student reach his or her full potential.

- Communicate with their child the importance of implementing the strategies that were taught by their teachers on SMART goals.
 - Communicate with their child on how effectively they are utilizing the PBIS classroom rules/routines.
 - Share with fellow parents the importance of attending parenting workshops which allows their child to earn CHOP Bucks/PBIS Rewards.
-

Teachers:

Teachers are expected to work with students and their families to support students' success in math and reading. Some of our key connections with families will be:

- Train their students on how to utilize their SMART goals with 80% implementing strategies to teach students to engage in effective dialogue that reveals active monitoring of their own progress.
 - Train their students effectively using the established PBIS classroom rules/routines to improve daily attendance and student achievement.
-

Building Partnerships

- Parents are welcome to attend monthly family engagement informational series sponsored by the school and Parent Liaison Coordinator.
- Parents are ALWAYS welcome to volunteer and participate at the school.
- Parents are welcome to visit the Parent Resource Room – 104.
