

Senior Ad for Yearbook

Little Billy may have outgrown his t-ball uniform and Molly may not play dress up anymore, but there is still time to capture those precious moments. Senior year is all about leaving your mark before you leave childhood behind. This year, give your senior a “mark” he or she can look back on for years to come. A senior ad is the perfect way for you and your senior to remember his or her high school years.

Your child’s senior ad can be a collection of his or her smiles, loving family members, leaving lasting words to let him or her know how truly proud you are, or your child’s favorite quote. Submit your information to the yearbook staff and let an experienced staff member create the ad for you.

- Pictures may be submitted either as hard copies or digital images
- Please do not submit collages or oddly shaped pictures
- State which picture you would like to be the main, large picture on the ad

While every effort will be made to return original pictures, the yearbook staff cannot guarantee that every picture will be returned. We do not recommend submitting one-of-a-kind or otherwise irreplaceable pictures. You can obtain a proof of your child’s ad by emailing Mrs. Beason. A proof will be emailed a week before the page is submitted so corrections can be made. Please make sure emails below are working and legible.

Color Pages:	Payment Deadline:	Black and White:	Recommended Amount of Pictures:
