

# Senior Yearbook Ad

Shane may have outgrown his t-ball uniform and Maggie may not play dress up anymore, but there is still time to capture those precious moments. Senior year is all about leaving your mark before you leave childhood behind. This year, give your senior a “mark” he or she can look back on for years to come. A senior ad is the perfect way for you and your senior to remember his or her high school years!

Your child’s senior ad can be a collection of his or her smiles, loving family members, leaving lasting words to let him or her know how truly proud you are, or your child’s favorite quote.

This year, you can create your senior ad and submit your information on the Jostens Website ([www.jostens.com](http://www.jostens.com))
