High school is a wonderfully exciting time for both you and your student; however, it can also be an extremely stressful and busy time. One way that Northside helps to ease the confusion and bustle that comes with being a parent of a high school student is by offering **class packages**. These packages combine the major expenses that arise during the year into one convenient and cost-effective price. By purchasing the class package, you receive a discounted price on such items as class dues, freshman t-shirt and more. Please see the listing below for more detail about each item in the package.
