

**Northside High School
9-12th Grade Verification**

Northside Parents and Students:

We hope your family is having a safe summer. We are excited to enter a new school year, which may look different at times, but will offer opportunities to grow as individuals and as a school family. Verification will take place over 4 days in order to remain as safe as possible, while completing all necessary steps to begin the school year successfully. **All students, virtual and traditional, will need to complete the in-person verification process.** In an effort to save you time during verification, you will need to complete the on-line registration which is posted on our school website or scan the QR code above. Verification is assigned by date and time according to grade level and last name. Please see the tables below to determine your specific date and time for verification. Please be sure to wear a mask and remain socially distant throughout the verification process. The Northside Faculty and Staff looks forward to seeing you on verification day and working with you during the 2020-2021 school year.

Please be sure to complete all forms in this packet and bring with you to verification
