Weather Safety

Our school monitors severe weather through alerts from district bulletins, community warning tones, and the national weather alert radio. Students will remain inside the building during a severe weather watch. In the event of a severe weather warning, students will be moved to the interior of the building to keep everyone safe. Tip for home: Make sure everyone in the family knows the safest place to be during a warning.

The Leader In Me

Reese Road Leadership Academy is a ‘The Leader In Me’ school. Throughout the year we focus on the 7 Habits that encourage our students of leadership qualities all students can learn. Developing these leadership skills will prepare students for the future.

This month our habit is Habit 6 – Synergize: Together is better. I value other people’s strengths and learn from them. I get along well with others, even people who are different than me. I work well in groups. I seek out other people’s ideas to solve problems because I know that by teaming with others we can create better solutions than anyone of us can alone. I am humble.

Reese Road 7 Habits combined with the Roadrunner Bucks, will help our students develop the leadership qualities necessary to become the leaders for our community in the future. Our next Roadrunner Buck Store day is February 23.
