The Leader In Me

Reese Road Leadership Academy is a ‘The Leader In Me’ school. Throughout the year we focus on the 7 Habits that encourage our students of leadership qualities all students can learn. Developing these leadership skills will prepare students for the future.

This month our habit is Habit 6— **Synergize : I get along with others and work well within a group.** I value other people’s strengths and learn from them. I get along well with others, even people who are different than me. I work well in groups. I seek out other people’s ideas to solve problems because I know that by teaming with others we can create better solutions than anyone of us can alone. I am humble.

Reese Road 7 Habits combined with the Roadrunner Bucks, will help our students develop the leadership qualities necessary to become the leaders for our community in the future. Our next Roadrunner Buck Store is through the week of May 14-18th.
