We have had an awesome beginning of the 2019-20 school year. When picking your child up from school, be sure to place your car rider tags on your mirror so we can expedite the dismissal process. The front parking lot is reserved for faculty and staff parking, school busses and day care vans. All other vehicles will be directed to the rear parking lot.

We are continuing to enroll students in our Mandarin Chinese Language Program. We are fortunate to have this opportunity on our campus however, we must maintain a minimum enrollment to continue to offer this program. If you are interested, please visit the school website or call our office for additional enrollment information.

Please remember to join our PTA. The fee is \$5.00. Let's make to 100% of our school involved with the PTA to support our school!

Mrs. Lockhart: Assistant Principal

Dear Reese Road Leadership Academy parents, students, faculty, and staff;

I am elated to be joining the RRLA team as the new assistant principal. I am originally from Athens, Ga and moved to Columbus where I received my Bachelors in Early Childhood Education, Masters in Early childhood Education, and Specialist in Educational Leadership at Columbus State University. I am entering into my 13th year in education. I am married to Tabirus Lockhart and we have 2 daughters: Harper Claire, 3 and Turner Rose, 1. The Reese Road faculty and staff takes pride in developing future leaders by implementing principles and skills for the students to be successful. I will work closely with the principal and other administrators as a collaborative partnership to create the best working and learning environment for every student and teacher. I am so excited to be where Great happens!
