(1) PBIS Parent App Update is NOW Available

PBIS Rewards is happy to announce that the updated Parent App is now available in both Android and iOS App Stores. Please remind your parents to update their app, or download the app if they haven't already done so.

The **updates are required for the two-way communication** between staff members and parents to work.

(2) PBIS Rewards Parent Education Video

We are really excited to be able to bring this resource to our schools! The PBIS Rewards parent education video is a whiteboard style video intending to inform parents about PBIS, PBIS Rewards, and how your school is using them to build a positive school climate for all students. The parent education video is also available in Spanish.

You can find the PBIS Rewards parent education video and other resources for parents at <https://www.pbisrewards.com/parents/>.
