**Monday, November 8, 2021 – 8<sup>th</sup> Grade students will take the PSAT 8/9**

The College Board offers the PSAT 8/9 to eighth graders and high school freshmen as the first hurdle in the group of tests they call the "SAT Suite of Assessments." The PSAT 8/9 is a precursor to the PSAT 10, the PSAT/NMSQT and the SAT. The purpose of the PSAT 8/9 is to establish a starting point in terms of college and career readiness as students transition to high school. It's a way for students to practice for the PSAT 10, the PSAT / NMSQT and the SAT. For more information on the structure of the test and how it is scored, please visit:

Richards is a PBIS and IB World School where we strive to emphasize growth of the whole person: intellectual, personal, emotional and social.

"We remember those who were called upon to give all a person can give, and we remember those who were prepared to make that sacrifice if it were demanded of them in the line of duty, though it never was. Most of all, we remember the devotion and gallantry with which all of them ennobled their nation as they became champions of a noble cause."

-- Ronald Reagan, 40<sup>th</sup> President of the United States, speaking on Veterans Day
