REPPIN' RICHARDS

Responsibility
Excellence
Professionalism

The Character Word for the month of **May** is **ACCOMPLISHMENT**, which is having pride and appreciation for attaining one's goal.

Richards is a PBIS and IB World School where we strive to emphasize growth of the whole person: intellectual, personal, emotional and social.

“It takes half your life before you discover life is a do-it-yourself project.”

- Napoleon Hill

Any 8th grader who will need a copy of their physical for any high school conditioning or practice this summer needs to pick it up from Coach Purvis **before** this Friday, May 19th.

Congratulations to our robotics teams! Both teams received recognition at the MCSD-CCSSC competition Saturday. The Probots placed third in the category of Precision and Dexterity and the Enginerds placed first in the Difficult Terrain category. Great job, students!
