How can I help my child **SUCCEED** in school?

Stay involved and feel free to contact your child's teacher with any questions or concerns.

Make sure your child is getting plenty of sleep and is ready for school each day.

Help your child with his/her homework, and communicate with their teacher if assistance is needed with homework.

Teach your children to be **RESPONSIBLE** for their actions and their schoolwork, and to be **RESPECTFUL** of adults and classmates.

Ask your children about school, and encourage them to talk about their day.

Read with your child **EVERY** night and talk about what you read to make sure they not only can read words, but they understand the meaning of the words they read.

Do not talk negatively about your child's teachers.
