Family Service Coordinator

Dear Parent/Guardian:

First and foremost, I would like to welcome you and your student to Spencer High School, our history shows that we strive for excellence within our environment and in the community.

My role as the Family Service Coordinator is to help parents, guardians, and caregivers of Spencer High School students feel welcome in the school by bridging the gap between parents, teachers, and school staff. I look forward to meeting with many of you in the next few months to share your concerns and comments. I would also like to thank those parents who have an interest in volunteering this school year, thank you again for taking the time to fill out the volunteer interest form. For those parents who are interested in volunteering but did not have an opportunity to fill out a volunteer interest form, you are welcome to come to my office, room 216, or the attendance office.

On behalf of our principal, Dr. Johnny Freeman, and the entire staff of Spencer High School, we look forward to a productive and meaningful school year for both you and your child.

Sincerely,

Glenda Harris
