1.12 THE ADVANCED PLACEMENT (AP) PROGRAM

William Henry Spencer High School's Goals for AP are:

- To increase the number of AP offerings to our students.
- To increase the number and percentage of traditionally underrepresented students taking AP classes.
- To increase the number and percentage of traditionally underrepresented students taking the exams and earning a score of 3 or better.

How AP Benefits Students

Students who take AP courses derive many benefits. These courses help to steer students toward college or advanced studies. AP courses give high school students the opportunity to participate in classes that are invariably more rigorous and in-depth than most other high school offerings. To participate in an AP class is to enter a world of intense discussion and thought. It is a class in which students are given the intellectual responsibility to think for themselves and to learn to reason, analyze, and understand.

Why take an Advanced Placement course?

Gain the Edge in College Preparation

- Get a head start on college-level work
- Improve your writing skills and sharpen your problem-solving techniques
- Develop the study habits necessary for tackling rigorous course work

Stand Out in the College Admissions Process

- Demonstrate your maturity and readiness for college
- Show your willingness to push yourself to the limit
- Emphasize your commitment to academic excellence

Broaden Your Intellectual Horizons

- Explore the world from a variety of perspectives, most importantly your own
- Study subjects in greater depth and detail
- Assume the responsibility of reasoning, analyzing, and understanding for yourself

Receive the HOPE Scholarship to Help Pay for College

- In order to receive the Georgia HOPE Scholarship, you must have earned **four full credits** in academically rigorous courses.

The Academy of Computer Science and Electronic Game Design is a combination of Advanced Placement and computer science courses dedicated to attracting and retaining diverse learners who seek to gain college and real-world experiences while completing their high school requirements. Students will agree to devote their high school career to pursuing rigorous academic courses within a computer science pathway that will result in students graduating with options to continue to post-secondary educational institutions and/or begin a career within the technology industry.

What key outcomes are expected from the Academy?

The goal of the Academy is for all Magnet graduates to leave William Henry Spencer High School with the technical ability to pursue post-secondary educational opportunities at technical centers and/or four-year colleges/universities. Our students will have multiple options upon graduation because of the rigor and relevance found in the Academy of Computer Science and Electronic Game Design.

This written appeal must explain in detail the hardships, extenuating circumstances or other extreme emergencies that contributed to the excessive absences. **Appeals are reviewed on an individual basis and there is no guarantee that the appeal will be approved by the Principal or his designee(s).** If the Principal or his designee denies the appeal, a written appeal may be sent to the Superintendent or his designee(s).

The parent(s)/guardian(s) and the student MUST be present for an attendance conference. Appeal conferences will occur at the end of the first and second semesters.

Excessive absences may result in the student being administratively withdrawn.

2.03 HOMEBOUND INSTRUCTION

In cases of prolonged absences (10 or more days) due to illness, the parent(s) or guardian(s) should seek assistance from the Principal or his designee(s) for homebound instruction. 10.0 School Nutrition Program (SNP)

Mission Statement of the Muscogee County School Nutrition Program is to provide a nutrition program that will maintain and improve the health of school children and the educational community and encourage the development of sound nutritional habits that will foster academic success.

USDA has regulations that the School Nutrition Program (SNP) has to meet to be in compliance with their guidelines. Caloric and nutrient requirements are based on age and grade. Also, MCSD Board Approved Wellness Program (EEE and EE-R) encourages and promotes healthy guidelines to be followed including, but not limited to, elimination of the consumption of fried foods, foods containing > 35 % sugar by weight, and FDA standards for portion sizes. School lunches also offer a variety of foods, whole grains, and fat free and low fat milk choices. Muscogee County School District shall abide by nutrient standards of the School Nutrition Program for all foods sold and served on campus during the school day. The sale of foods or beverages to students on school premises other than through SNP is prohibited from 12:01 a.m. until 30 minutes after the end of the school day. Food shall not be used as a reward or punishment and shall prohibit the use of candy and other food rewards for academic performance or good behavior. **Fundraising efforts** shall be supportive of healthy eating, encouraging the sale of non-food items or nutrient dense foods. USDA regulations ban the sale of foods of minimal nutritional value.

School Nutrition Program provides a healthy breakfast and lunch choice for students every day. Students may bring their own lunches from home. **Restaurant containers are not allowed in the cafeteria.** Parents are encouraged to have lunch with their children and a school lunch may be purchased to eat in the cafeteria with the students.

School meals are captured using palm scanners for identification, capturing only the image of the veins in their hand. If the parent opts out on their children being scanned, the meal will be rung up under the name.

Community Eligibility Provision (CEP)

The Community Eligibility Provision (CEP) was established by Congress through the Healthy, Hunger-Free Kids Act of 2010, which reauthorized the Child Nutrition Programs. CEP aims to increase access to the School Meal Programs by offering breakfast and lunch at no charge to all students, without the need to process or collect individual free and reduced meal applications. 41 of our schools are CEP schools. **Please contact your student's school office or call the School Nutrition Office at (706) 748-2386 to see if your student's school is a CEP school.**

Free and Reduced Meal Priced Meal Applications (Non-CEP Schools Only):

If your student is ***not*** enrolled in a CEP school, a new application has to be completed and approved every school year before your child can qualify for free or reduced price meal benefits. For quicker processing, an online application is available at www.myschoolapps.com. If you prefer, a paper application is available upon request at your child's school or at the School Nutrition Office at 2960 Macon Road. If completing a paper application, we must receive an original since these applications are scanned. We cannot accept a faxed or copied application. **ONLY ONE** application needs to be completed for your entire household. If someone receives SNAP (Supplemental Nutrition Assistance Program) OR TANF, you must include the current CASE number on the application (NOT the EBT or food stamp card number) and indicate whether the program is SNAP or TANF. We receive thousands of applications every year. Completed applications are processed within 10 days. A letter will be sent home from school with your child stating if you have been approved or denied. Applications **CANNOT** be approved if they are not completely filled out so please **COMPLETE ALL REQUIRED FIELDS** on the application. ***Until your application is approved, please provide your child(ren) with money to purchase meals.***

If you have an approved MCSD 2019-2020 application on file, then benefits will be extended for the first 30 days of the 2020-2021 school year (or until a new eligibility determination is made, whichever comes first). After that, your child's status will change to PAID and they will be charged for meals until a new application is approved. If your application has been denied or is incomplete, please call our office if you have any questions: 706-748-2389. Applications can be submitted at any time throughout the year, especially if your income goes down, you lose your job, your family qualifies for SNAP or TANF benefits, or there is a change in your family size. ***For quicker processing of meal benefit applications, the Family Meal Application is available online at <https://www.MySchoolApps.com/>. If you prefer, you may complete a paper application at your child's school or at the School Nutrition Office located at the Muscogee County Public Education Center, 2960 Macon Road.***

Please respond promptly to messages that you receive, both written and phone calls, regarding charges on your student's account.

Menus

Monthly menus can be found on the MCSD website. Menus may change on a very short notice due to market conditions, deliveries, or special school activities.

Special Dietary Needs

MCSD School Nutrition will make modifications and substitutions to the regular school meals for a student **with a disability that restricts their diet**. The Special Dietary Needs Prescription Form **must be** completed and signed by a licensed physician or an active 504 Plan for a student with a disability before the school cafeteria can provide any modifications or substitutions. The completed form must be provided to the school cafeteria Manager, the clinic worker, and the special needs dietitian. A form and instructions can be found on the School Nutrition page of the MCSD web site, or at the school clinic or cafeteria. Nutrition analysis chart for menu items is available on the website.

Please be aware that there are factors that may affect a product's actual nutritional value and/or ingredient composition at any given time: Manufacturers' formulations may change without notice. USDA donated products may become available at any time during the year and may replace a purchased item. Product brands may change during the year as new bids are approved. Schools may be using inventory from a previous bid or manufacturer. Our recipes may change during the school year. A la carte snack items vary from school to school so check with the Nutrition Manager at your student's school for specific information.

SNP provides breakfast and lunch at various schools throughout the district during the summer. Please check the web site or call 706-748-2386 for locations. All children up to 18 years of age receive a free meal. Adults may purchase a lunch.

11.0 FEE POLICY

The Muscogee County Board of Education voted on October 17, 1994 to adopt the State Board of Education policy on Student Fees, Fines or Charges. According to this Policy:

"The Muscogee County School District Board of Education retains the right to charge students a reasonable fee for restitution of lost, damaged, or abused school system property, including textbooks, library books, or media materials. The Superintendent shall develop and submit to the Board a schedule of fees to be charged. Student shall be notified in writing of any charges being assigned to them and that failure to pay those charges may result in sanctions such as withholding grade cards, diploma, or certificate of progress until restitution is made. Opportunity shall be given for the student(s) and / or parent(s) to meet with the appropriate school officials to discuss any fines levied against the student(s)."

12.0 TRANSPORTATION

Students who live more than a mile and a half from the school in the assigned attendance area will be provided transportation by the school district. Students will be given a bus pass which must be kept for the entire school year. Only those students with passes may ride the bus. **Students may only ride the bus to which they were assigned.** Temporary bus passes can be issued with parent request in writing for special emergencies. School bus transportation is a privilege that may be withdrawn for inappropriate behavior.

Students who drive cars must register their cars to receive a parking decal. This will allow students to park in the designated area in front of the school. Students are not allowed to park in the reserved parking spaces or along the bus lane. Cars without valid parking decals and those illegally parked in unauthorized areas are subject to being towed by school security. This will be strictly enforced. Decals may be secured from the Assistant Principal of Administrative Services. Decals are **\$10.00**.

13.0 VISITORS

All visitors are to report directly to the attendance clerk upon entering the campus and check in through the Raptor System. In cases of an emergency, the office will contact the student. **Visits to classrooms are not allowed on the campus. Violators will be arrested.**

14.0 STUDENT ILLNESS

Students who become ill at school will be given immediate care based on the standard protocol. Students will be sent home if deemed necessary.

15.0 LOST AND FOUND

Clothing and other articles lost will be turned in to a custodian and kept in a storage area. Students may check with the custodian before or after school for lost items. Lost books will be returned to the departmental chairperson.

16.0 MEDICATION

If it becomes necessary for a student to take medication during the school day, **the parent must complete a medication administration medical release form.** Medication will be kept in the clinic.

17.0 PROFESSIONAL SCHOOL COUNSELING SERVICES

Professional School Counselors are available for all students. Student, teacher, and parent conferences are encouraged by this department. Students may see a counselor by making an appointment through the counseling department. Parents may call 706-683-8701 and ask for the Guidance Department. Official transcripts must be mailed by the guidance office or attendance clerk.

18.0 MEDIA CENTER

Students are free to work in the media center during the school day or on an individual basis with a pass from their teacher. Classes must be scheduled in advance in order to come to the Media Center. Students are not allowed to leave the cafeteria during their lunch period to go to the media center.

Following the guidelines of the Muscogee County School District, students are required to have a signed contract (both parents and students must sign), which outlines the proper management and use of the Internet. Once students have returned contracts, they will be granted online access. Improper use of Media Services or equipment may result in disciplinary actions.

19.0 AFTER SCHOOL SUPERVISION

Students must leave the school building by 4:00 pm. Students that stay for extracurricular activities must be under the direct supervision of a teacher. Any student who is not under the direct supervision of a teacher will be considered as trespassing and treated as such.

20.0 LOCKERS

Students are assigned lockers at the beginning of school or upon enrollment. A rental fee of **\$10.00** will be charged for each locker. Students who rent a locker are expected to adhere to the following:

1. Use only the locker that has been assigned to you. **DO NOT share lockers with anyone.** You may lose your locker privileges / locker by allowing someone else to use it. You may be charged for illegal items placed in your locker by someone else.
2. **DO NOT allow other students to have access to your combination.**
3. Use your locker only when necessary. You do not need to go to your locker between every class. Students must be out of their lockers and in class before the tardy bell. Going to your locker between classes does not constitute a legitimate excuse for being late to class. Students found at their locker after the tardy bell without a pass will be disciplined accordingly.
4. Keep your locker neat. Clean it out regularly by removing all unnecessary clothes, papers, etc.
5. Realize that lockers are school property and that the administration has the right to conduct locker inspections and/ or searches when there is probable cause.

21.0 STUDENT ACCIDENT INSURANCE

The Muscogee County School District offers student accident insurance to all students in the Muscogee County School District. This insurance is available to you at a nominal fee. If you do not wish to take out Student Accident Insurance, you child's health insurance is your responsibility. The Muscogee County School District does not carry health coverage on students.

22.0 SELLING TO STUDENTS/FUNDRAISERS

Students are prohibited from selling/buying items of any description from one another either on the school bus or on school grounds. Students caught selling candy that is not for an approved fundraiser will have the items confiscated and not returned. Candy, doughnuts, etc. should not be sold for any reason.
