

GEORGIA SOUTHWESTERN SCHOLARSHIPS

Guaranteed Freshmen Scholarships

Georgia Southwestern offers a guaranteed \$1000 academic scholarship to all new, traditional-aged freshmen who have at least a 3.5 high school GPA, with no application or deadline required. Students must begin as Regular Beginning Freshmen during the Summer or Fall semesters to be eligible for the [Southwestern Promise Scholarship](#). The GPA calculation is completed by the Office of Recruitment and Admissions and is based on the [17 Required High School Curriculum \(RHSC\) courses](#).

Guaranteed Freshmen Scholarships

In addition to the Southwestern Promise Scholarship, we also offer the [President Carter Leadership Program](#), which includes a \$1500 award and the opportunity to hone leadership skills through service and academic studies. Inspired by and named for the former US President and GSW alumnus, Jimmy Carter, application into the program is competitive and includes an interview process.

Encourage Your Students to Experience Southwestern!

[Preview Day](#) is a Saturday where students and families are our guests for the day. GSW students, professors, and staff are available to discuss career interests and potential majors, as well as life on the Southwestern campus.

If students prefer a more personalized experience, they can sign up for a [personal tour](#). Our Zephyr Recruitment Team - current Southwestern student leaders - will lead prospective students and their families on a tour of campus. An admissions professional will also meet with them to discuss their individual questions.
