

Saturday School Notice

Dear Parents,

In an effort to provide each student with the best possible education at W.H. Spencer High School, students will be given the opportunity to take advantage of every academic resource available to them. We are excited to offer students the opportunity to attend virtual Saturday School for tutoring or to make up missed assignments. Tutoring will be available for all English, History, Math, Science, Spanish, and CTAE courses. Saturday school will be available from 9:00 am – 12:00 pm on the Saturdays listed below via Zoom.

Your child is invited to take advantage of this free tutoring or this opportunity to make up missed assignments. Please review your child’s progress in all classes and use the links below to register your child to participate in virtual Saturday School. **Saturday school for each date and subject will be finalized based upon students signing up for the sessions. The deadline to register is 2 days prior to each session.**

If you have additional questions, reach out to the Academic Coaches by emailing Davis.Brenda@muscogee.k12.ga.us or McRae.Micheal.J@muscogee.k12.ga.us

Use the links below to enroll your student in content specific Saturday School sessions.
