

William Henry Spencer High School

View My Academic Plan

An Academic Plan is a method for students to view their schedule for all 4 years. Students, we need you to review your plan and focus on the courses you are scheduled to take next year. Are they correct?

Next Steps

- Did you know that this plan is also posted in the Student Portal?
 - Click on the Menu bar (3 horizontal lines on the left)
 - Click Academic Plan
 - Click Next
 - They will be able to view all 4 years of their plan.
- Review the classes scheduled for next year.
- Go to Spencer's website and click on Create My Schedule to view the videos created by teachers. <http://sites.muscogee.k12.ga.us/spencer/pathways-and-clubs/>
- **Feedback - We need all students to complete the survey on the school's website at the top of the Page to provide the scheduling team with feedback regarding scheduling concerns. Even if it's correct, ALL students must complete this survey by Friday, February 19, 2021.**
- Share your schedule with your parents.
- **Important Reminders:**
 - All students must have 7 courses on their schedule. If you don't have 7 courses, ask your Advisement teacher what would they recommend.
 - Are you going to college? You need Spanish I and II
 - Have you completed a Pathway? You need 3 years of a Career class or Pathway?
 - Have you taken and passed PE/Health? The only way to opt out is to take and pass 3 years of JROTC.
 - If you are currently not passing a course, you will have to take it in Summer School or take it next year. Summer School is only offered to students with a final grade of 60 or above.
