

# Veterans Memorial Middle School

The following precautionary measures have been implemented to ensure the health and safety of our students and staff:

- Masks are required. Each child must provide their own mask.
- Temp checks upon entry each morning for students and staff
- No large group(s) waiting in gym or cafeteria. Students will report directly to their first class. (ILT)
- Lockers are closed but bookbags are allowed. They may carry any style bookbag this school year.
- The A/B schedule will continue with class change only occurring three times during the day instead of six times as last year.
- Seating will be assigned in each classroom space and all other areas, including buses to allow for contact tracing if necessary.
- Water bottles will be allowed to avoid use of public water fountains. They must be **clear** and only filled with water. Paper cups are provided beside the water fountains for students with no water bottle.
- Hand Sanitizer stations are located throughout the building.
- Lunch will be eaten in the classrooms, daily to avoid students standing in line. The only students that may eat in the cafeteria will be the students that do not have desks in their classrooms (ex: music, computers, P.E.) Social distancing will be enforced.
- All breakfast and lunch will be free at this time. (There will only be one lunch and one breakfast choice offered.) The menu will be sent home each Friday in the Friday Flyer.
- Each child is responsible to supply their own set of **headphones** for traditional learning. We will not be able to loan headphones. They do NOT need to be the expensive type for school.
- Students must bring their **chrome books and chargers** to school each day!
- **TRANSPORTATION:** please click the link below to access your child's bus stop pick up and drop off times. Once you click the link, there will be instructions on how to find the bus stop. Enter your address and click search. Once your student arrives at school, we will issue him/her a bus pass.

- **Car Riders Protocol:**
  1. Car Riders will be picked up at the front of the building.
  2. Students will be REQUIRED to remain seated with their grade level at the front of the building until their ride arrives.
  3. Students will NOT be allowed to use cell phones while waiting on their ride to arrive – This is to omit any distractions so students will watch for their ride.
  4. Teachers will be busy directing traffic – Please make sure you watch for the teacher(s) directing traffic. He/she will have you pull all the way up so we are able to load more students at one time. This will help ALL parents pick up their children faster.
