

## What is a School-Parent Compact?

A School-Parent Compact is an agreement that parents, students, and teachers develop together. It explains how parents, students and teachers will work toward becoming lifelong learners. Meetings are held each year to review the compact and make changes based on student needs. Parents are welcome to contribute comments at any time.

### Effective School Compacts:

- Link to goals of the School Improvement Plan
- Focus on student learning skills
- Describe how teachers will help students develop those skills using high-quality instruction
- Share strategies parents can use at home
- Explain how teachers and parents will communicate about student progress
