

What is a Home-School Compact?

A Home-School Compact is an agreement that parents, students, and teachers develop together. It explains how parents, scholars and teachers will work toward becoming lifelong learners. Meetings are held each year to review the compact and make changes based on student needs. Parents are welcome to contribute comments at any time.

Effective Home-School Compacts:

- Link to goals of the School Improvement Plan
- Focus on student learning skills
- Describe how teachers will help scholars develop those skills using high-quality instruction
- Share strategies parents can use at home
- Explain how teachers and parents will communicate about student progress

As parents, we will....

- Communicate with my child's teacher regarding any questions or concerns about my child's academic performance.
- Make sure my child is at school and arrives on time prepared to have a productive day.
- Check agenda books and homework folders daily.
- Know my child's Lexile score and ensure my child reads 30 minutes each night for literacy practice.

As a school, we will.....

- Help parents stay connected through multiple ways of communication. Parent-teacher conferences, Parent Portal, and the school's website.
- Provide excellent educational experiences and a safe and nurturing environment conducive to learning.
- Engage scholars in active learning and monitor student progress to ensure student success.

As scholars, we will.....

- Ask questions if we don't understand our class room or homework assignments.
- Know my Lexile score and read for 30 minutes each night for reading practice.
- Practice our math facts each night.
- Strive to become a lifelong learner
